Dyngus Day

Dyngus Day, or Wet Monday (Polish Śmigus-Dyngus or lany poniedziałek), is the name for Easter Monday. Historically a Polish tradition, Dyngus Day celebrates the end of the observance of Lent and the joy of Easter. Over the decades, Dyngus Day has become a wonderful holiday to celebrate Polish-American culture, cuisine, and traditions. Dyngus Day Cleveland also wants to celebrate Polka heritage at the event with their host DJ Kishka and a lineup of polka bands from 10am-9:30pm in Gordon Square. 2019 will mark the festival's 9th anniversary in Cleveland.

Like Dyngus Day Cleveland on Facebook or check out ClevelandDyngus.com for more information on the day's events in Gordon Square, Ohio City, Irishtown Bend, Duck Island and Tremont! Merrick Rocks the House: Celebrating 100 Years of Service to Tremont Families

Written by Jimmy Perkins

A cornerstone in the historic Tremont community is celebrating their 100th birthday and everyone is invited. Merrick House has been serving the community as a Neighborhood Center since 1919. At that time, a simple storefront built in a settlement house located on Starkweather Avenue, brought hope to East Central European immigrants that desperately needed services during this era that spurred America's "settlement house" movement. Merrick House provided English classes, childcare, and a place of recreation and clubs for immigrant families that were now settling in Tremont.

The name "Merrick House" was used to honor Mary Virginia Merrick, founder of the Christ Child Society, who was also a supporter of this new settlement house. With the gracious help of Catholic Charities, the original building was built at 1050 Starkweather Avenue in 1949.

Since then, the services of Merrick House evolved with the needs of the community. In 2019, their services have expanded to include Early Childhood Education, Youth Leadership and Development, Adult Learning and Career

Two Tremont Friends for Life

University. They are Mollie Barber Alstott (above on left) and Ann Duly Guisewite (above on right).

These two ladies were both editors of the Lincoln High School's LINCOLN LOG. Ann pursued Journalism as her career choice and Mollie, Education. As Feature Editor, Ann wrote an interesting article in the September,1937 LINCOLN LOG about Mollie, her sister, Irene (also a student at Lincoln) and their mother's trip to Europe that summer in which they visited their mother's village. The village from which Mollie's mother emigrated was called Wolodz. They had spent the summer with Mollie and Irene's grandparents. It was a "Ukrainian" village in an area of Austria-Hungary (now Poland) near what became Czecho-Slovakia and now Slovakia.

As Ann wrote of the girls experience, she told of one-half acre farms and days of backbreaking toil to gain but a meager existence. The existence included bartering eggs and other produce, two or three-room houses with only the barest essentials of furniture, but also having room for the animals, and an upstairs hayloft which served as sleeping quarters.

Mollie and Irene spoke of how church services were part of each and every celebration. After even a simple celebration honoring an anniversary of the local village library, churchgoers would then move to the church square which, in their village, was next to the beautiful San River.

TREMONT HISTORY PROJECT

Both were born in 1921, they went through Tremont School kindergarten, grade school, junior high, Lincoln High School, then followed each other to Kent State

Beneath the gaiety of these occasional celebrations, there was an undercurrent of dissatisfaction and contempt. There were government police watching every move and listening to every comment. The locals almost longed for war in the hope that they would be free of domination. Both old and young longed to be free of oppression as a minority ethnic group. Mollie and her sister knew that the freedom and comfort of the USA was what they preferred.

Mollie and her sister came home to their parents store on Professor (now Edison's). Ann's parents came from a village in Austria-Hungary, which became Czechoslovakia, and now Slovakia. Early on they lived on Starkweather (in the building of what is now Wine and Design) where they had to share a bathroom with other families.

The family then moved to the house next to Hotz's where Ann's father had a shoemaker shop in the front. Then they moved to what is now Polish Pulaski Post No 30 at the corner of W. 11 St. and Starkweather Ave. and had a tavern and lived upstairs. Ann took her family to her parents' village in Slovakia after its freedom from communism and its split from the Czech Republic.

Mollie and Ann both met their husbands while at Kent State. Mollie's husband, Louie Alstott joined the Navy to serve in WWII and became a pilot. He and Mollie were stationed in Guam. Ann's husband, Bill Guisewite served in the Army in the European Theater. Mollie and her husband, while in Guam travelled to many countries and they also lived in San Diego, Grosse Ile, MI and in Washington DC. Mollie taught in the Parma School District and over the years did much volunteering. Her greatest love as a volunteer was at the Cleveland Zoo for 35 years. (By the way, she golfed until the age of 87 years young).

Ann and her husband established an advertising company in Michigan and had three daughters including Cathy who became well-known as the author of the Cathy comic strip which ran for over 30 years in various newspapers across the country.

Ann currently lives in Florida and loves yoga which keeps her young. These life-long friends still get together every year or two. Both Mollie and Ann still love Tremont and continue to cherish their memories of growing up in the neighborhood.

CMSD Hosting Community Meetings

CMSD will engage the community in planning the future of academic programs and buildings.

The Board of Education is revisiting the District's master facilities plan. Cleveland's population patterns have changed since the plan was last updated five years ago, and the board wants to ensure that the taxpayers' investment matches community needs.

The independent Bond Accountability Commission BAC has called for a fresh look, citing trends in enrollment and construction costs. The BAC was created to monitor a building and renovation program that has been funded by the state and local bond issues.

The District is responding to this call and taking the opportunity to better align its academic and facilities decision making.

"We are seizing this moment in time to plan not only new buildings but the improving academic programs that will inhabit those buildings," said Christine Fowler-Mack, the District's chief portfolio officer.

The public is invited to join the long-term planning process, which will explore data reflecting academic quality, enrollment trends and forecasts, and building use and conditions across the city. The data is contained in a comprehensive fact base called the Citywide Analysis.

The Citywide Analysis will allow the community to use the same information considered by District and charter school leaders when

2019 Tremont Farmers Market

Dear Tremont Farmers Market Supporters
It's been a long winter, but spring is near. In less than 2 months the Tremont Farmers Market will make it return to Lincoln Park. (Opening Day is May7th!)

As we enter our 14th Year, we will strive to make this year's Market the best ever.

Like our farmers, we are now gathering our 'seeds' and making plans for our season. What to look forward to (and what we are looking for) this year....

Vendors

Some of our farmers and other vendors have already committed to the 2019 season. But, we are still looking for new vendors of all types; Farmers, Home Bakers, Small Food Producers, Artists and Makers are all welcome.

Musicians

Our goal this year is to provide a wide variety of entertainment, from Singer/Songwriters, Classical, Bluegrass to Latin and Soul. We want to reflect our neighborhood and it's rich cultural mix. Know of a great act? Let us know.

Chef Demos

We hope to have a series of demos with local chefs and educators weekly on food prep from basic to complex recipes presented from the Gazebo.

Launch Pad

The Farmers Market has always been the place for small businesses with big plans to start their journey. This year we are dedicating a special tent to pre-launch and brand new businesses that need to promote, survey, sample and seek funding

for the next big idea. The Launch Pad will include a prominent place in the market and a chance to give a pitch from our 'stage'. IF you are or know a dreamer, an idea person, an inventor of the next great 'better mousetrap' we want to hear from you. All ideas are welcome, food, gadgets, apps, etc. Bring it out, air it out and interact with our customers for a day.

If you are interested or know someone who is interested in being a vendor, a musician, a chef or a Launch Pad presenter, please contact us immediately for more information on how be part of the TFM in 2019.

We look forward to an exciting year of market and hope to see you there. Keep growing....

2019 Tremont Farmers Market Manager, TFM@TremontWest.org

assessing how best to plan for quality schools in every neighborhood. It provides data at three different levels — citywide, by region and at the school level — for both District and charter K-8 and high schools. While the report presents data analysis, it does not make recommendations. The analysis will enable educators, community members and families to work from the same set of facts and engage together in thoughtful planning.

"We are presenting this without a point of view," CEO Eric Gordon said. "We were very deliberate in holding ourselves accountable to not saying, 'This is what we should do.'"

The Citywide Analysis is available at qualityschoolsforCLEkids.org. The website

also includes an interactive tool that will allow visitors to explore their own region, a user guide, a schedule of public meetings, frequently asked questions and a form for questions and comments.

Gordon will lead a series of six public meetings in April, beginning Tuesday, April 2 at East Tech High School. For a complete schedule, visit qualityschoolsforCLEkids.org. The schedule is also on a postcard that is being mailed citywide. **The Near West Side Meeting which includes Tremont schools, will be held at Garrett Morgan High School, at 6pm at 4016 Woodbine Avenue on Thursdays, April 11th & 18th.**

Mar 29 - April 20

Convergence-continuum presents the **Ohio premiere** of *THE PRIDE* opening Friday, March 29 and running Thurs-Sat through April 20. The time-bending play, the first in con-con’s 2019 Star-Crossed Season, interweaves the love stories of two similar couples separated by fifty years, each with very dissimilar outcomes.

The Pride is a collage portrait of two parallel love stories, in 1958 and 2008, between two different pairs of characters, both named Phillip and Oliver. In 1958 Phillip, who is married to Sylvia, has an illicit affair with Oliver, which would have been considered a criminal offense if it were ever discovered. In 2008 a different Phillip and Oliver have the freedom to conduct their relationship in the open. But do they appreciate the freedom to be who they are - or even know what to do with that freedom? One play. Two stories. Three characters interweaving in time.

THE PRIDE runs Thurs-Sat at 8 pm through April 20 at the Liminis Theater, 2438 Scranton Rd. Tickets available at www.convergence-continuum.org and 216-687-0074 are \$20 general admission, \$15 seniors (65+) and \$10 students. Thursday discount tickets are \$15 gen. adm., \$12 seniors and \$8 students. **Tremonters are admitted free for Thursday shows (April 4, 11, 18). Call ahead to make reservations.**

Convergence-continuum’s production of *THE PRIDE* is supported in part by the residents of Cuyahoga County through a public grant from Cuyahoga Arts & Culture.

Auburn-Lincoln Park

Our thanks to the staff of Rose-Mary for hosting us for our March meeting! First up were Neighborhood Safety Concerns with Lt. Michael Betley of the 2nd District Police Community Services Unit. Dave Territo and Keith Sutton of Sutton Builders presented a proposal for 4 single family homes with attached garages at 1017 (2 story), 1019 (2 story), 1021 (3 story) and 1023 (3 story) Starkweather Avenue. This was a presentation of the proposal and Q & A. Some members have concerns about placement and architecture stylings. The Co-Chairs will share these concerns with Sutton Builders and Tremont West by e-mail. A Vote on a Letter of Support to the Board of Zoning Appeals is requested at the Monday, April 15th block club meeting. Membership was reminded that Tremont West, new members must complete a brief membership form by the deadline of Mon. April 1st, 5pm, in order to be able to vote in the membership Annual Meeting on Thursday, May 16th. Member Lynn McLaughlin Murray, Treasurer on the Tremont West Board, announced that she is seeking re-election to the Board of Directors, and encouraged Auburn-Lincoln Park residents to seek election to a term of office on the Board of Directors. If interested, members were encouraged to e-mail TWDCBoard@gmail.com for more information. The exciting Cleveland International Film Festival returns on March 27 – April 7th. For \$1 off per ticket, use code INTRMNT. Members were reminded of the upcoming Rite Aid Cleveland Marathon on Sunday, May 19th, 7am – 10am. The 15,000 runners of the Full Marathon and Half Marathon will come through Auburn-Lincoln Park area westbound on Jefferson and Starkweather to W. 14th Street, then turn north on W. 14th to Kenilworth, then east on Kenilworth and Literary to W. 10th Street. The annual RiverSweep Clean-up is seeking residents to volunteer on Saturday, May 11th, 9am – 12 Noon. If interested, contact Scott at Tremont West and meet by the gazebo in Lincoln Park between 8:30-9:00am that morning. Gloves, bags, and t-shirts are provided to volunteers. The well-loved Tremont Gardeners' Flower Sale is coming up in Lincoln Park on Saturday May 18th , beginning at 9am. The Tremont Farmers' Market returns to Lincoln Park on Tuesdays, May 7th – October 1st, 4 – 7pm. \$48 was raised in the 50/50 Raffle and donated back to the block club treasury. Watch for postcards and e-mail notifications.** Please join us!

Central Tremont

At the March meeting, the developers of the Electric Gardens project, JROC, returned to present an update to the group. JROC did not have any significant updates to share with the group since last month's meeting, since they are still in search for an architect for the project. When asked how the development project would affect nearby RTA bus routes, JROC stated that the distance from Electric Gardens to Professor Avenue would not warrant the need to adjust the bus route or current schedule. The group also had another developer, Keystone Homes, scheduled to present to blueprints and renderings for a project on W. 5th Street, however, no one from Keystone showed up to the meeting, so no discussion or vote could be held. TWDC will be hosting its Annual Meeting at Annunciation Church on Thursday, May 16th and will be voting to have five new members to join the TWDC Board of Directors. The group was informed that only full members of TWDC will be eligible to vote and were encouraged to complete a Membership Form in order to vote or be considered as a candidate for the Board of Directors. **The next block club meeting will be held on Monday, April 8th at 6:30PM at Post 58.** For more information on the block club and its activities, please contact Co-chairs Jeffery Buysse (jtbuysse@gmail.com) or Julie Goulis (jgoulis@gmail.com). Information can also be found on our Facebook page at www.facebook.com/CentralTremont.

Duck Island

At our March meeting, Sgt. Tim Maffo-Judd came to check in on safety issues, none were brought up to the officer. Jim Rusnov, Director of Real Estate for RTA, came to present information about the Red Line Greenway and new proposed development along Columbus Road. He described the RFQ process and announced Carnegie Management and Development (CMD) will be handling the development project. The goal of project is to create connectivity between Red Line Greenway (RLGW), residential development and RTA station using a community based approach. Question was asked about whether a Western Reserve Land Conservancy offer to buy the land was an option. Mr. Rusnov said that it was not an option at this point. Were not-for-profit land preservation organizations approached for this project? No. A question was asked about the TIGER grant and its relationship to the RLGW. RTA rep stressed that the grant is related to transit development. More discussion followed. Block Club Chair Milton Lorrington invited Cleveland Ward 3 Councilperson Kerry McCormack and Tremont West Executive Director Cory Riordan to attend our April meeting to discuss the development along the RLGW. A vote was taken to make a change in By-laws regarding voting, which was passed unanimously. The next meeting of Duck Island Green Space (DIGS) was March 20th at Rich and Elaine's home. Plans are in the works to have a traditional block party on Freeman in the summer. The community garden plot idea is coming along, and a short meeting was held after the block club meeting. The grant for the Lorain Avenue overlook is still being considered. Murals under the bridge are being considered, and steps to the Hope Memorial Bridge are being addressed. Trees for the tree lawns are being researched for the neighborhood, ones that grow beneath the power line height. The DIBC bank account is at \$87. It's been suggested that we consider offering an alternative meeting date a couple of times a year so those who are never available on Tuesday nights can attend meetings and be eligible to vote. For more information on the block club and its activities, please contact Chair, Milton Lorrington (mlorrington@ameritech.net) & Co-Chair Rick Warren (rick.warren@gmail.com) or Scott at Tremont West (scottrosenstein@tremontwest.org) – 216.575.0920 ext. 106. **Please join us for our next meetings on Tuesdays, April 2nd and May 7th, 6:30pm at the Forest City Brewery meeting room.** Bring a neighbor and join us!

Holmden Buhrer Rowley/ Mentor Castle Clark

At the March meeting, the first item of discussion involved the “Bridging the Gap” project to take place in the spring. The HBR Chair, Angelica Pozo, had offered to reach out to a couple who may be able to participate in the project by writing a poetry piece that would be painted throughout the bridge by volunteers. As for paint needing to be purchased for the project, it was implied that Brian Jones, Owner of the Christmas Story House, may have already purchased paint for the project, however, MCC's block club account still reflects the full amount of the grant. In a previous meeting in which Brian Jones attended, he offered to donate paint to the project if there was paint left from the Christmas Story House Neighborhood Restoration Project. Paint purchases or donations have not yet been confirmed. The second item of discussion involved the new businesses moving into 3148 W.14th Street, where the Tremont Animal Clinic currently resides. There will be a new coffee shop opening up next to Bon Kitchen, sometime in mid-late April. The coffee shop will initially be opened in the mornings and will have capacity for 15-18 visitors at a time. A full service coffee bar, WiFi, and pastries from Bon Kitchen will be served for customers. The third open space in the building will be reserved for Urban Orchid, a flower shop currently operating out

of a space in the Ohio City neighborhood. Urban Orchid had recently purchased the building and will be moving into the new space, although an opening date has not been announced. Lastly, safety concerns that have been occurring in the MCC area were discussed. Neighbors witnessed illegal drug use outside 2998 W. 11th Street and three individuals entering the property through the window. When neighbors approached and inquired as to what was happening, the response included a threat and some vulgar words. 2nd District stated in their report that the house needed to be boarded up. MCC Chair, Joshua Wright, was provided with Lt. Michael Betley's contact information for follow up. In addition, there were safety concerns reported in regards to the W.11th Street Pedestrian Bridge. Litter in the area has been overflowing recently. ODOT will need to be notified for follow up and to have trash cans placed near the bridge. Waste receptacles will also need to be placed near Towpath trail, as entrance has also been littered. **The next block club will be taking place on Wednesday, April 3rd at 6:30pm at Pozo Studio.** For more information on the block clubs and their activities, check out our Facebook page or contact MCC Co-Chair Josh Wright (jwright.cle@gmail.com) and HBR Co-Chair Angelica Pozo (earth.angelpozo@gmail.com) or Dharma Valentin, Community and Equity Organizer – dharmavalentin@tremontwest.org – 216.575.0920 ext. 102.

Lincoln Heights

11 members and 6 guests attended the March 11th Block Club meeting at St. Augustine's Walsh Hall. Lt. Betley updated the group on safety issues discussed at the prior two meetings. Block Club leadership followed up on its commitment to the Board of Tremont West regarding the Block Club's by-laws. Tremont West has requested the removal of the Inherent Property Rights clause in our voting regulations. A worksheet for discussion was distributed. The worksheet included the existing language of the current by-laws, the request from TWDC to remove the paragraph, and then proposed leadership driven amendments to the clause. Debate took place for well over a hour, A motion was made to strike the paragraph from the by-laws. The motion failed with 4 yeas, 4 no votes, and two abstentions. At that point the discussion took place on amending the by-laws, two changes were recommended by the leadership. The first was to amend the Inherent Property Rights clause, the change from “Property owners” to “ Property owners and/or their designated representative (Agent)” was proposed. The second proposed amendment dealt with a new clause that would allow officers to wave the three meeting attendance regulation if a property owner attends a meeting with official notice from the City of Cleveland giving them standing in the Action Item on the Block Club's agenda. The property owner would have to bring the official notice with them to provide proof. The B. C. officers would use their discretion to avoid any conflicts with the sole intent to not violate that property owners rights of due process in the matter. After debate a motion was made to support the amendments with one small change, it was seconded, the motion passed with 9 yeas, 1 no vote, 0 abstentions. The Block Club By-law proposed amendments will then go to the second phase. Notice via TWDC must be made to the membership 14 days in advance of the April 8th Block Club meeting. The by-laws will be on the agenda. 75% of the current voting membership needs to be in attendance to meet special quorum, with a 2/3 majority vote to pass. Updates were given on several other projects that will be in front of the Block Club over the next few months. **Our next meeting is on April 8th at 6:00PM, it will be held at the APL conference room.** We have invited Councilman McCormack to be in attendance. The APL will update us on their expansion plans. if you have any questions please contact Chairperson Henry Senyak at HSenyak@aol.com or contact Dharma Valentin with TWDC at (216)-575-0920x102.

North of Literary

At the March meeting, Lt. Michael Bettley from Second District Community Services Unit was available to discuss safety issues. There was a discussion about stolen packages throughout Tremont. Updated NOL By Laws are to be discussed and voted on next month. Change in the “letter of Non-Conformance” wording is apparently the only matter for review. The Board of Zoning Appeals has approved plans for construction of a residence at 2121 West 6th. The plans had been presented to previous NOL meetings; the only variance requested was one which is routinely granted. Prospective demolition of houses at 2119 W. 10th and 2345 W. 7th streets was discussed. The issue of the poor condition of Michael Simon's Lolita property has been raised for months. The burned-out property has been empty for years and part of the yard is a mess. A motion was made and seconded for NOL to draft a letter of concern to Michael Simon, Councilman McCormack, Joe Chura (Chair of TWDC Economic Development Committee)and Khalid Hawthorne and Cory Riordan of Tremont West.The Cleveland Marathon returns to Tremont Sunday morning May 19th from 7AM to 10AM. As in past years, Deane Malaker's driveway and yard will be an unofficial water station for runners. NOL members can enjoy a “block party” with coffee and snacks as they hand out water and cheer for runners. The annual RiverSweep Cleanup is to be held on Saturday, May11 from 9AM to 12PM. NOL volunteers can meet at Camp Cleveland at 9AM and they'll be provided with bags, gloves, and T-shirts. NOL Co-Secretaries for 2019 are Morgan Passek and Martha Lineberger. Scott Rosenstein discussed the annual Tremont West meeting to be held on Thursday, May 16th. To vote in the election at said meeting, new members must complete and return the Membership Form by 5:00 PM on April 1st. The Cleveland International Film Festival is March 27 through April 7, 2019. . Two vouchers for free films were given to Deane Malaker. On Saturday, May 18, the Tremont Gardeners Flower Sale begins at 9AM at Lincoln Park. People line up for the opening and they sell out early! Raffle drawing of \$28 was won by Deane Malaker and proceeds were donated back to NOL. For more information on our block club and activities, please check out our Facebook page, or contact Co-Chairs, Chris Roy (christopheroy@aol.com) or Kyle Poney (kyleponey@gmail.com) or Community Involvement Manager, Scott Rosenstein at Tremont West at 216-575-0920ext. 106 (scottrosenstein@tremontwest.org). **Please join us for our next meeting on Tuesday, April 16th, 6:30pm at Post 1 Polish Veterans Alliance.** We look forward to seeing you!

South of Jefferson

We began our March meeting with Safety Updates from Cleveland Police Sgt. Tim Maffo-Judd who said that there were no major incidents to report in our area. Sgt. Tim informed members about a new program from the Second District Police Division -- distributing car seats to qualified families on the first Friday of every month through June. Pick-up of car seats is at the Second District's office. SOJ members were reminded that they can continue to donate paper products to the Roosevelt Post 58 on an on-going basis. Ann Corbo of LS Architects formally presented two proposed houses at 2481 Tremont Avenue -- one is a rehab and the other a new house located behind the existing structure. After much discussion, it was decided to table voting on the variances for both of these proposed projects until the next meeting. TWDC will facilitate a meeting with all parties to address concerns. Another home on Thurman Avenue was presented for informational purposes only as there are no variances attached to this project. Since this project is classified as a townhouse development, variance requirements differ. Councilperson Kerry McCormack and the City of Cleveland Planning Department are implementing a new process to inform the community about upcoming construction projects with no variances attached to the projects. This is a fluid conformance process that will be further formulized in the future. The SOJ Block Club approved, by unanimous vote, the adoption of the proposed Block Club By-laws. Co-chair Debbie Smith had contacted Keith Sutton of Sutton Builders who is responsible for property associated with St. Theodosius Orthodox Church. Since this church owns the land at Lucky Park, Debbie wanted to inform him of our mural project. Mr. Sutton is delighted with the maintenance by the SOJ members of Lucky Park and will be researching if any official approval is required by the City for the mural structure. Kate Carden announced that TWDC is seeking applications for new TWDC Board members. If interested, members were encouraged to talk to Kate or e-mail TWDCBoard@gmail.com for more information. Applications are due by April 13th. Similarly, Scott from TWDC reminded new prospective members that to vote at the annual TWDC meeting on Thursday, May 16th they needed to be registered TWDC members. Membership to TWDC is open until April 1st for voting privileges at the annual meeting. The Cleveland International Film Festival runs from March 24-April 7th. To receive \$1 off per ticket, use the code INTRMNT. The annual River Sweep will be held on Saturday, May 11th -- 9 am–noon. To volunteer, contact Scott and meet at the Lincoln Park gazebo around 8:30 am. The Tremont Gardeners Flower Sale will be held on Saturday, May 18th at Lincoln Park from 9 am till sold out. The Rite Aide Cleveland Marathon is on Sunday, May 19th, 7 am–10 am route through Tremont. Dyngus Day (Polish Easter Monday celebrations will be on Monday, April 22nd -- numerous Tremont establishments are participating. Many other events are scheduled for our area -- details were listed in the hand-out materials. **The next meeting of the SOJ block club will be held Tuesday, April 9th, 2019, at F.D. Roosevelt Post 58 at 6.30pm.** All are welcome to join us.

Tremont Arts & Cultural Festival

The 21st annual Festival is proposed for Lincoln Park on Saturday, September 21st (Noon – 7pm) and Sunday, September 22nd (Noon – 5pm). Admission to the public is free. There are 5 “villages” which comprise the Festival: Juried Artists, Community, Cultural, Farmers' Market, and Children/Youth booths and programming. There will also be a Beer and Wine Music Garden and a Main Stage of performing artists. Applications for Juried Visual Artists are available on the Festival's website: www.tremontartsfestival.com. For more information, e-mail Scott Rosenstein, Festival Manager at ScottRosenstein@tremontwest.org or phone 216.575.0920 ext. 106. Of Note: this will be the second year for the special four-year series: Focus on the Artists – which spotlights and celebrates minority and under-represented artists that contribute greatly to our community and NE Ohio. The inaugural year of the series, 2018, featured Sin Fronteras/Beyond Borders: Celebrating Latino Visual and Performing Artists in Cleveland and NE Ohio to wide acclaim. This year's spotlight will be on LGBT (lesbian, gay, bisexual and transgender) artists in a special Freedom and Love: 50th Anniversary of the Stonewall Uprising exhibition featuring special galleries for the series' Established and Emerging LGBT Artists. Applications for this special program will be available in April, 2019. The Festival's focus has always been on diversity; however, this series is about populations of artists. The artwork needs to meet standards of artistic excellence, but there is no specific topic or theme for the artwork. We're focusing on the people creating the art. Similar formats will be followed for African/African-American/Afro-Caribbean and Middle Eastern visual and performing artists in 2020 and 2021 respectively. For more info on the special series, contact Scott Rosenstein (ScottRosenstein@tremontwest.org) and Dharma Valentin (DharmaValentin@tremontwest.org).

Post 58

HISTORY IN YOUR BACKYARD POST 58 at 2442 Professor Ave is, once again, having our annual membership drive and is inviting our friends and neighbors to belong to this fine organization. Founded in 1945 by a group of Polish-American Veterans who returned home and back to the steel mills, from WW II and wanted a social hall to continue the fellowship, Americanism, pride in the community and to help veterans that were hospitalized at Wade Park and Brecksville Hospital recovering from the war. Throughout the years, Post 58, supported St Augustines, St John Cantius and helped not only veterans, but also many in our community that fell on hard times and needed financial and spiritual help. In 1989 Post 58 opened our doors to non-veterans and other nationalities but, we still maintain our tradition of helping students of Polish descent with scholarships to their colleges of choice, helping the local churches, and still being a pillar of our great community. Our club operates a full service bar seven days a week. The club resembles the way it was in 1945 when our founders bought the old butcher shop, purchased a liquor and beer license and started serving perogies and other Eastern European Food upstairs in our hall, which by the way is available to use for family or group gatherings, block club or business meetings . Our club has a full size regulation pool table, 28 ft bowling machine, touch tones, slot machines and cardboard crack provided by the State of Ohio. And yes, we carry Polish and Ukrainian Beer. You do not have to be a veteran or Polish to belong to this fine organization. Anyone interested in touring, using or joining Post 58, call me, Terry Zacharyj at 216-314-7654.
