Cleveland Public Library’s South Branch Reopens December 1

On December 1, residents of Tremont and Clark-Fulton will reclaim a beloved neighborhood institution when Cleveland Public Library’s South Branch, located at 3096 Scranton Road, officially reopens and resumes library services after years of restoration efforts.

The South Branch building’s history stretches back to 1911, when it was constructed with funds gifted by Andrew Carnegie. The building’s stone exterior and striking façade, combined with its interior woodwork, built-in shelving, skylight and fireplace, made South Branch an attractive, distinctive facility that was much beloved by its community. After more than a century of use, however, the building suffered structural and mechanical failures. In 2013, Cleveland Public Library was compelled to close the building and temporarily relocate the branch to 2704 Clark Avenue.

In the years that followed, the Library invited community input regarding the future of South Branch. After embarking on an extensive process to consider how to best serve this community, the Library’s Board of Trustees resolved to preserve, restore and update the historic South Branch building rather than build a new branch, a decision many residents celebrated. After embarking on an extensive process to consider how to best serve this community, the Library’s Board of Trustees resolved to preserve, restore and update the historic South Branch building rather than build a new branch, a decision many residents celebrated.

"We were thrilled with the public process that led to the determination to return the library to the corner of Scranton and Clark," says Cory Riordon, Executive Director of the Tremont West Development Corporation. "The community was involved from the get-go in this process, and it was clear that this was the library’s rightful place. This historic building is a cornerstone in the neighborhood, and we’re excited this cornerstone will be returned to the community and services will resume at the branch."

"This process has been worth the wait. We’ll have a nearly 110-year-old library that has all the amenities of a 21st century library," adds Jaime Declet, Manager of South Branch. "It’s remarkable that the community members voiced their opinions and their needs, and that the Library was able to respond by saving a historical building. That corner of Scranton and Clark wouldn’t be the same without a library—a library helps bring life to that corner of the neighborhood. We can’t wait to be back."

The stone façade at the original entrance on Scranton Road has been preserved, and a new addition extending to Clark Avenue offers a second entrance that will be fully ADA-compliant. Inside, the beautiful woodwork and wooden perimeter shelving were retained and restored, along with the original fireplace and a restored skylight feature. The branch will be expanded and updated to include quiet study rooms, separate areas for teens and children, a sound studio, fully accessible restrooms, and a computer bar located at the historic Carnegie desk. A new, larger meeting room will be added, complete with a capacity for fifty people, while a new, larger meeting room will be added, complete with a capacity for fifty people. A Christmas Story House Foundation 
Invests in Tremont!

Every year thousands of runners dress up as pink nightmares, leg lamps, cowboys, and more to celebrate their favorite movie A Christmas Story while taking part in the annual A Christmas Story Run 5k/10k. The charity run benefits the neighborhood surrounding A Christmas Story House, helping to restore and maintain the homes of the neighbors near the landmark filming location.

Run organizers have added a new twist this year by declaring it to be the “Year of the Bumpus Hounds.” While the run has always been dog friendly, this is the first year runners can sign up their canine companions. The run has opened up registration for up to 700 doggy participants, who even get their own race swag. Each dog will receive a race bib, dog leash, dog scarf, A Christmas Story Run dog tag, tidy bag & scooper, and for the fashion forward pooch there is even an optional A Christmas Story Run one of a kind dog t-shirt!

The A Christmas Story Run has opened up registration for up to 700 canine companions. This is to ensure the safety of everyone on the course.

The run benefits the A Christmas Story House Foundation, which provides grants to neighbors of A Christmas Story House & Museum. Since it was established in 2013 $391,000 has been raised to invest into the neighborhood. In 2017 the foundation funded 9 projects, which consisted of replaced porches, painted houses, and new fences. Through the money raised in 2017 the foundation will have $99,319.80 to go to 2018 restoration projects.

Look for both the Cleveland APL and City Dogs to have a presence at this year’s Christmas in July party at A Christmas Story House. “We love Christmas so much that it’s great to have an opportunity to celebrate it in the middle of summer, too,” says museum curator Steven Intermill about the annual party. “It will be a fun day, and we hope our Tremont neighbors will come out to enjoy it. Santa just confirmed, as Gar isn’t sure what he wants. His boyfriend Anthony is the domestic type, nice but highly strung, and wants to get married. Albert, the guy Gar has been seeing on the side, is wildly spontaneous and transgressive. Security doesn’t like his chances. Security also has a girlfriend—what should Gar choose? And why should he have to? Can’t he have both? Gar just wants to dance with his friends! A fresh, bold look at contemporary relationships and marriage – of any kind. This year, Central Tremont is inviting other block clubs to engage in “friendly competitions” to see which group could bring in the most donations for three (3) categories in the annual Tremont/Duck Island/ Irishtown Bend Holiday Food Drive – of nonperishable food items and paper products along with cash and checks. The ultimate goal is to help food pantries, like St. Augustine, Pilgrim, St. John Cantius, St. Michael, Immanuel Lutheran, St. Malachi, Westside Catholic Center, and Greater Cleveland Food Bank to feed our near west families and children in need in the holiday season. The “Grand Prize Winner” for the 2017/2018 competition – Central Tremont – therefore, is issuing the challenge for the upcoming 2018/2019 season.

Last year (2017/2018) featured the most participating block clubs (6): Auburn-Lincoln Park, Central Tremont, Duck Island, Holmden-Buhrer-Roxley/ Mentor-Castle-Clark, Irishtown Bend, Metro North, and North of Literary – up from four (4) in 2014 – and were joined by a Tremont West staff team. Last season’s holiday food drive featured the most canned goods, paper products and check donations collected - the equivalent of 27,197 items (or $10,275 in cash/checks and 2,281 food items)! For the purposes of last year’s competition, which brought in more check donations than ever before, each dollar donated by check was considered equivalent to two items (for check donations are doubled (ex: $50 turns into a $100 prize donation to their block club treasury/account and – the block club’s cash & check donations are counted as a $50 prize donation to their block club treasury/account - and – the equivalent of 27,197 items (or $10,275 in cash/checks and 2,281 food items)! Drop-off points: Block club members can deliver food/paper items to their block club food drive coordinators (a listing and contact info will be sent out by e-mail) and listed in the December Inside Tremont - or dropped off at the Tremont West offices – 2406 Professor – Monday – Friday during regular business hours (NOTE: The Tremont West offices are closed December 22nd - January 1st and will reopen on Wednesday, January 2nd). Deliveries during that time can only be made to your block club coordinators and not to the Tremont West office.

Three competitions this year:

1. Canned Goods & Non-Perishable Boxed Food Items and Paper Products - the block club collecting the most items in this category receives a $50 prize donation to their block club treasury/account.
2. Cash and Check Donations (dollar for dollar) - the block club collecting the most money also receives a $50 prize donation to their block club treasury/account.
3. Grand Prize Winner – the block club’s cash & check donations are doubled (ex: $50 turns into 100 items) and canned goods and non-perishable items collected are added (ex: $3,000 in checks/cash becomes 6,000 items + 500 canned goods = 6,500 items) – winning block club in this category receives a prize of a $100 donation to their block club treasury/account.

Most important of all is the goal: lending a helping hand to neighbors – families and children - in need in Tremont, Duck Island, and Irishtown Bend - and providing help to support the outstanding work of eight Cleveland food pantries/ministries – St. Augustine Church, Pilgrim Congregational Church UCC, Immanuel Lutheran Church, St. John Cantius Church, St. Michael Church, St. Malachi Church, Greater Cleveland Foodbank, and Westside Catholic Center – who get nutritious food to children and families all year long! Many thanks to all of you for your incredible kindness and generosity to the food pantries and to our near west Cleveland neighbors in need! We look forward to your continued support and generosity in 2018/2019! For more information, contact your block club food drive coordinators or Scott Rosenstein (scottrosenstein@tremontwest.org – 216.575.0920 ext. 106) & Dharma Valentin (dharmavalentin@tremontwest.org – 216.575.0920 ext. 102) at Tremont West.

Items Needed: Canned goods, nonperishable boxed food items, paper products (toilet paper, paper towels, napkins)

Counting: Food and paper products are counted individually – unless they are cellophane wrapped and sold as a set (example a four-pack of paper towels) is counted as one item not four. Canned goods and individually wrapped paper products count as one item each.

Cash/Checks: You may also donate by cash/check if you prefer. Checks must be made out to St. Vincent as he believed the unique environment and approach would lead to greater, more holistic care for patients and their families.

Don’t Trash Tremont
Central Tremont Block Club Launches Anti-Litter Campaign

Don’t trash Tremont. It’s a simple request that the Central Tremont Block Club hopes will deliver a powerful message. The block club recently launched an anti-litter campaign with yard signs and stickers encouraging people to put litter in cans and not on the ground—which is an all too common problem along Professor Avenue and elsewhere in the neighborhood.

“Litter negatively impacts the perception residents and visitors have about the neighborhood, and further encourages people prone to litter to disregard common decency. Residents and businesses picking up litter is great, but we wanted to reduce the amount of litter in the first place,” explains Julie Goulis, block club co-chair. “We tried to have a little fun with the messaging and the signs. The message is serious, but we didn’t want to come across as preachy.”

The block club hopes to take the campaign further by painting trash cans in the block club’s area and encouraging businesses to put the stickers in their front windows. The signs and stickers were created by Tremont-based artist Jim Ray and paid for by a Tremont West/Arcelor Mittal Block Club Safety Micro-Grant.
