

CITY OF CLEVELAND  
Mayor Frank G. Jackson

# SCRANTON ROAD RESURFACING SACKETT AVENUE TO FAIRFIELD AVENUE

## CUY-SCRANTON ROAD (PID 105934, M1207)

### Project Scope:

- Project Length of approximately 1.35 miles
- Full and partial depth pavement repairs
- Milling and asphalt resurfacing
- Concrete curb and walk repairs as needed
- Complete sidewalk, and curb replacement, Kenworth to Fairfield
- Providing ADA-compliant curb ramps
- New pavement markings and signage to include bike facilities and revised on-street parking

### Driveway Access:

- Access to all properties will be maintained during construction
- This may require steel plates, temporary ramps, or other means approved by the Engineer to span across the roadway construction

### Contract Amount:

\$2,214,000 awarded to **Karvo Paving**  
Funded by Federal Highway Administration, City of Cleveland GO Bonds & Utility Funds

### Construction Schedule:

**June 2019 – November 2019, ODOT administered**
