**Questionnaire for Nomination to the Tremont West Development Corporation
Board of Directors**

1. Please describe your involvement with the Tremont West Development Corporation or other Tremont clubs and activities during the last 5 years:

My involvement with TWDC began in the spring of 2010 when I sought to purchase a lot and to build a home in Tremont. I looked to TWDC for advice and was soon involved in the local block club (NOLBC). I quickly earned and maintained voting rights have been an active member of the block club since that time. I served as co-chair of the block club for two years (2014 and 2015).

I also became involved, in 2013/14, with the Duck Island Block Club. I assisted in building consensus around the Duck Island Neighborhood Plan and I helped the block club leader establish bylaws and procedures. I remain active in that clock club today.

In July of 2014 I joined TWDC's Housing and Economic Development Committees, which was to me a natural extension of my involvement with the two block clubs.

In May of 2015 I campaigned for and was elected to TWDC's Board of Directors, and I became the chairperson of the Economic Development Committee. In 2016 I joined TWDC's Executive Committee. I still serve in all three of those roles. In 2017 I was re-elected to the Board and I am currently the 1st Vice President of the Board.

Other involvement includes volunteering numerous times at the Tremont Arts and Cultural Fest, the Taste of Tremont and other Tremont events.

2. Please describe any involvement that you have had with charitable organizations during the last 5 years:

My main charitable organization work has been with the American Cancer Society and the Multiple Sclerosis Society. I have been involved for the past nine years in the ACS' Pan Ohio Hope Ride (a bicycle event from Cleveland to Cincinnati) and have raised approximately \$25,000.00. I have raised funds for five years for the MS Society's annual Pedal to the Point fundraiser, collecting over \$15,000 in the aggregate.

3. Please describe any other memberships on boards or committees that you have had during the last 5 years (such as non-profit organizations, professional associations or city or county government):

I was a member of the Board of Directors of the YMCA of Greater Cleveland through 2019. I remain a member of the YMCA's Facilities Committee. More locally I am on the Outreach Committee for St. Wendelin Church (the Catholic Church in Tremont on Columbus Rd. that was closed and re-opened.) In 2013/14 I was a member of the Scholarship Committee for Gay Games Nine, and assisted in placing numerous athletes in host homes in Tremont. In addition, I am an active member of the International Council of Shopping Centers, an industry trade organization.

4. Please describe the skills and areas of expertise that you would bring to the Board of Directors of TWDC:

I will bring broad skills in architecture, design, construction and real-estate development. Please refer to attached resume.

5. Please state why you are interested in serving on the Board of Directors for TWDC:

My Tremont roots are deep. I am a lifelong Clevelander and Tremonter and I am passionate about both. I grew up on W.20th Street in Duck Island, where my mother and a brother still live; I am committed here and plan to stay. My deep neighborhood roots, professional skills & experience and involvement with TWDC position me to guide and to serve and to contribute. Serving as President of the Board of TWDC would provide me the avenue to do so.

Joe Chura – Short Statement for TWDC Board Candidacy

I have deep Tremont roots. I live on W.6th and was born and raised in Duck Island, where my mom still resides. This history gives me a unique perspective on Tremont's challenges and a balanced approach in helping to solve its problems. I am already active and committed: I am on the TWDC Board, chair a TWDC committee, regularly volunteer at neighborhood events, participate in my block club and am a lifelong member of Tremont's St. Wendelin Parish. My architecture and development experience are practical skills that let me meaningfully contribute to the neighborhood.

1. Please describe your involvement with the Tremont West Development Corporation or other Tremont clubs and activities during the last 5 years:

When I initially moved to Tremont in March 2012, I wanted to be involved in my new community. I am an active voting member of the North of Literary (“NOL”) Block Club. During the 2012 holiday season, I helped revive the neighborhood block club holiday food drive and organized NOL’s contribution to the food drive. I am so happy and proud that since then, our neighbors have continued to annually participate in the food drive and increased the monetary and food totals provided to the Tremont food pantries each year! In the past, I served as co-secretary of the NOL block club and helped re-organize the block club sign-in procedure and membership lists. I routinely volunteer for various events throughout the neighborhood, including Riversweep, Arts in August, Arts & Cultural Festival, and Taste of Tremont. I am also active, along with other neighbors, in a local community garden near my home. I currently serve on the TWDC Board as the Second Vice-President on the Executive Committee and as the chair of the Governance Committee.

2: Please describe any involvement that you have had with charitable organizations during the last 5 years:

I participate in the Arthritis Foundation’s Arthritis Walk each year. The money I raise for the walk helps the Foundation continue their efforts to fight arthritis. I also volunteer to deliver meals to low-income and other needy individuals for Thanksgiving and Christmas. Additionally, I volunteer at the Cleveland Food Bank and deliver meals to families through the local Tremont food pantries. I also serve as a mentor to high school students who are interested in the law or becoming attorneys. Each year we mentor the students during a summer workshop where they participate in moot court and mock trial competitions. Finally, I serve as a mentor to Case Western law students. As a mentor, I provide advice on a variety of topics or issues that a law student encounters throughout law school, including study practices/aides, varying areas of law, networking, and job hunting.

3: Please describe any other memberships on boards or committees that you have had during the last 5 years (such as non-profit organizations, professional associations or city or county government):

While in law school, I served as Secretary of the school’s Black Law Students Association, which is an organization designed to support minority law students during law school. I also previously served on the Board of the Downtown Cleveland YMCA. At my prior law firm, I co-chaired the office’s diversity committee where I was responsible for developing the annual diversity program and securing speakers and attendees for events.

4: Please describe the skills and areas of expertise that you would bring to the Board of Directors of the Tremont West Development Corporation.:

As an attorney, it is my responsibility to be practical, logical, organized, and detail-oriented. I often have to work with many people to resolve conflicts and issues by helping others see varying sides and the benefits of conciliation. These skills would be a benefit to the Board as we work address any issues that arise.

5: Please state why you are interested in serving on the Board of Directors for the Tremont West Development Corporation:

I love Tremont and I recognize what a dynamic and wonderful place it is. This is due to the love our neighbors have for Tremont and also due to TWDC and the Board's duty and efforts to the neighborhood over the years. Since I moved here, I participated in various activities and events that only deepen my appreciation for all that TWDC and committed neighbors can do when they work together. I would like to further develop this commitment to Tremont through my participation on the Board so that I can become more involved in making Tremont the best it can be and a wonderful place to call home.

Membership on the Board, and as the President of the Board, requires a substantial commitment of time and energy. LerVal M. Elva's Statement for TWDC Board Application:

Tremont is a wonderfully dynamic and eclectic neighborhood that I proudly call home. One of the first things I noticed after moving here in March 2012 was the neighborhood's strong and active community members. I was struck by the pride and sense of community involvement that runs through our neighbors. I love being active in my block club and routinely volunteering for various Tremont activities like Riversweep, the Arts & Cultural Festival, Arts in August, Taste of Tremont, and various charity drives and fundraisers for the neighborhood. I enjoy volunteering for these various activities to help continue to make Tremont such a great place to live and work. One of my favorite things to do is to walk my two dogs—Maizie and Balboa—through the neighborhood where I get the chance to chat with so many friends and neighbors as we run into them. I currently serve on the TWDC Board, its Executive Committee as Second Vice-President and as the Chair of the Governance Committee. I have enjoyed meeting diverse individuals through my involvement in the community and I look forward to cementing these relationships and developing new ones if re-elected to TWDC's Board. I love this neighborhood and want to do all that I can to help my neighbors.
