

A SERVICE OF THE TREMONT WEST DEVELOPMENT CORPORATION FOR THE HISTORIC TREMONT NEIGHBORHOOD

South of Jefferson Unveils New Mural in Lucky Park

The South of Jefferson Block Club has adopted Lucky Park as a block club gathering space and began hosting clean-ups and flower plantings. Most recently, they received grant money from the Tremont Trek Home Tour to install a new mural in Lucky Park (See image above.) As in any community project, the group encountered many roadblocks, but finally came to the perfect solution.

Working with Graffiti HeArt, the block club chose Rachel Usamani (photographed on the right) as the artist. Rachel Usamani has over 13 years of experience working in design primarily working within in-house marketing departments with some agency experience. While focusing on print and web development, she also is experienced in videography, editing, and some motion graphics. Currently, she is the Associate Director of Marketing + PR at Lake Erie College while also teaching digital art classes at the Cleveland Institute of Art for students grades 5-12.

Be sure to take a walk to Lucky Park to check out the new mural. Thanks South of Jefferson Block Club, Graffiti HeArt, and Tremont Trek for making our neighborhood vibrant!

Tremont, Duck Island and Irishtown Bend Block Clubs Join in the Annual Holiday Food Drive for Our Neighbors in Need

This year, Auburn-Lincoln Park is inviting other block clubs to engage in “friendly competitions” to see which group could bring in the most in three (3) categories in the annual Tremont/Duck Island/Irishtown Bend Holiday Food Drive – of nonperishable food items and paper products along with cash and checks. The ultimate goal is to help food pantries, like St. Augustine, Pilgrim, St. John Cantius, St. Michael, Immanuel Lutheran, St. Malachi, Westside Catholic Center, and Greater Cleveland Food Bank to feed our near west families and children in need in the holiday season. The “Grand Prize Winner” for the 2019/2020 challenge was Auburn-Lincoln Park – therefore, they are issuing the challenge for the upcoming 2020/2021 season.

For the third season, the competition featured the most participating block clubs (8): Auburn-Lincoln Park, Central Tremont, Duck Island, Holmden-Buhrer-Rowley/Mentor-Castle-Clark, Irishtown Bend, Metro North, and North of Literary – up from four (4) in 2014 – and were joined by a Tremont West staff team. Last season’s holiday food drive featured canned goods, paper products, and non-perishable food items collected (1,487) – and the money collected in cash and checks (\$13,567). For the purposes of the Grand Prize in last season’s competition, which brought in more check donations than ever before, each dollar donated by check was considered equivalent to two items (for example a \$50 check donation was considered to be 100 items of canned goods or 100 points counted in the Grand Prize competition).

2020 has been a challenging year for many families who have lost jobs due to COVID-19. When staff reached out to the block club chairs about doing the food drive this season, there was an overwhelming response that it is more important than ever to host the food drive. Each block club may be doing their collections a little different this year since there probably will not be any in person meetings or holiday parties. Please keep an eye out for instructions through your individual block clubs. If you don’t know which block club you belong to there is a map on our website.

Tremont West staff is currently working on a plan to make it easier to track online donations, keep an eye out in the newsroom at www.experiencetremont.com with instructions. We do believe the safest and most efficient way is to mail your check to Tremont West made out to the food pantry of your choice, noting which block club you belong. If this is not an option, we will make it available to donate online, but please note that the donation will be minus any credit card fees charged for this service. Our plan is to have an option for you to pay the fee so that you get credit for the full donation. Additionally, there will be an opportunity to donate food and paper product items, instructions will be posted in the newsroom regarding how to do this.

In the past three years, this friendly competition has donated \$38,984, 10,382 food items and one vehicle valued at \$4,366 to our community food pantries. We know from the enthusiasm from our block club chairs, this year we’ll be able to continue in the spirit of sharing with our neighbors in need. If you have any questions about how you or your business can get involved, please do not hesitate in reaching out to our Community Involvement Manager, Scott Rosenstein at 216-575-0920, ext. 106 or scottrosenstein@tremontwest.org or our Community & Equity Organizer, Dharma Valentin at 216-575-0920, ext. 102 or dharmavalentin@tremontwest.org.

Presenting the Greater Cleveland List of Resources: connecting community supports

Tremont West is thrilled to announce an additional list of resident resources published on Tremont West’s website. The Greater Cleveland List of Resources was created by Tremont West staff to support our residents and connect them to available resources within the near West Side neighborhoods and the broader Cleveland area.

This document provides lists of organizations in the Cleveland area offering resources to residents, including financial counseling; food access; housing resources, including housing counseling and home repair grants; legal assistance and tenant’s rights support; and utility assistance. The listed organizations offer services ranging from professional guidance to various types of financial support to ensure local residents are getting their needs met. Connecting residents to resources is a large part of our mission at Tremont West Development Corporation to create an inclusive community, unified neighborhood, and unique Cleveland destination.

Accessing resources has been particularly essential during the past year. The Coronavirus threat and following social and economic shutdowns have made life more difficult for many community members. The Greater Cleveland List of Resources’ final portion is dedicated to COVID Specific Resources, including At-Home Learning and School Meals To-Go for families, and Wi-Fi access for our remote schooling and work-force communities. Together the resource lists and COVID-specific section aim to help residents thrive during this period of instability and beyond.

You can find the Greater Cleveland List of Resources on our website under Resources for Residents or contact Emma Schubert at emmaschubert@tremontwest.org or 216-575-0920x108.

FREE HOME REPAIR

The Age-Friendly Home Investment program administered through the City of Cleveland’s Department of Aging is now available. The program helps seniors over the age of 60 or adults between the ages of 18-59 with a disability address one home maintenance or home repair need. The program also assists with additional referrals to other home repair programs. The program is first come, first serve, with a limited amount of funding per ward.

St. Augustine Hunger Center Needs Volunteer Drivers and Servers to Deliver Meals on Thanksgiving

Each year St. Augustine Hunger Center serves meals to over 20,000 community members’ meals on Thanksgiving. Volunteers are needed to help serve meals and deliver meals to the homebound. Anyone wishing to volunteer should call (216) 781-5530.

Thanksgiving Meals Available on Thanksgiving

If anyone is in need of a meal delivered to his or her house to call (216) 781-5530 and request a meal be delivered. We will be serving from 11am-1pm.

A benefit supporting Merrick House

For the health and safety of all of our supporters, our event is virtual this year. You can join from the comfort of your own home! You will hear incredible stories, enjoy entertainment and engage with fellow supporters.

While there is no ticket price to attend, we hope you will consider a suggested donation of \$100 to help us continue lifting lives and strengthening communities. No matter what amount, every dollar counts and your contribution is 100% tax deductible.

Please visit the following link to register:
onwardtogether.eventbrite.com

Join Us | Thursday, November 12th | 7:00 pm EST

- To qualify, residents:
- Must be a low or moderate income Cleveland homeowner aged 60 years or older or an adult age 18-59 receiving disability.
 - Residence must be a single or two-family home that the applicant owns and resides in.
 - Property taxes are current or applicant is on a payment plan.
 - Property must not be in foreclosure.
- Since the program has limited funding and tends to be competitive, Tremont West would like to help residents who are interested in applying. Please contact Community Engagement Specialist Julie Dahlhausen at 216-280-8411 or juliedahlhausen@tremontwest.org for additional information.

1,000 Daffodils Planted

Tremont resident, Jonah Schulz created The Alliance of Indivisible Americans. Their mission is to bring together an intellectually, politically and physically diverse group of people in order to tackle the problems facing our community and repair the divisions in our society. We believe that coming together in service, having open and honest conversations and uniting with a common purpose will begin to restore the love, respect and good faith that is so desperately needed in our society.

This was their first ever project as an organization. On Saturday, October 17th they planted over 1,000 daffodil and tulip bulbs around the intersection of Clark and Scranton Rd. in Tremont including areas at Scranton Road Bible Church, Cleveland Public Library South Branch and in flower

Prosperity Social Club Celebrates 15 Years in Tremont!

Congratulations to Bonnie Flinner and the staff at Prosperity Social Club in celebration of their 15th anniversary! Pictured above are two photographs displayed on the bar located at 1109 Starkweather Avenue. The one to the left is of the current owner, Bonnie Flinner with her awesome holiday decorations on full display and on the right is the former owner of Dempsey's Oasis, Stan Dembowski, with his awesome holiday decorations. Prosperity is open and offering meals and cocktails to go. Stop in or check out their website to order take out today!

boxes along Scranton Rd. across from St. Michael's. We're very thankful to the volunteers, donors and community supporters who made this happen and we cannot wait for the beautiful bloom next spring! www.indivisibleamericans.org

Clean Garbage Recycling Update

Tremont's CLEAN Garbage Recycling Co-Op is up and running! This is a free service. We currently have drop off locations for clean aluminum at Lucky Park on Professor and Starkweather, the AA Building at 2394 Professor Avenue (across from Bourbon Street Barrel Room), and Angelica Pozo's studio at 1193 Holmden Avenue. If you would like to be a member of the CGR Co-Op, kindly send a message to cleangarbagerecycling@gmail.com. We will send you the codes to the combination locks on the collection bins.

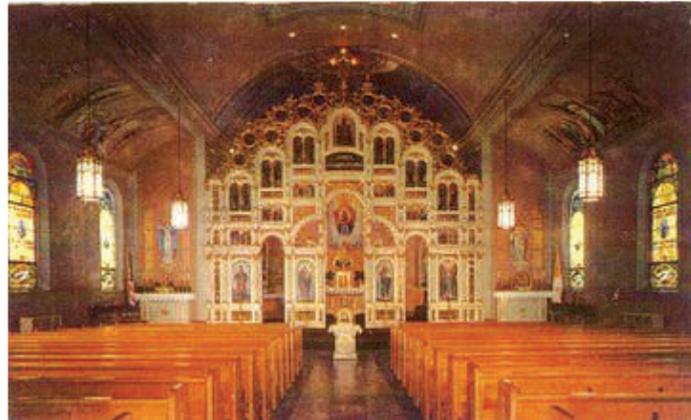

IF YOU HAVE A GOOD SPOT FOR A CGR ALUMINUM COLLECTION BIN, will you kindly reach out to our team? The more recycling bins we have, the easier it will be for Tremont residents.

The paper retriever is in place in the east corner of the Annunciation Greek Orthodox Church parking lot at West 14th and Fairfield. The retriever is located behind Loop, on the gravel driveway. You may place all types of paper and cardboard, books (hard and softbound) and shredded paper (as long as it is in a plastic bag) in the bin. Please consider dropping off your paper waste – we are generating quite a lot of it right now as a society and using the retriever keeps this waste out of a landfill.

Many thanks to all who are currently participating! For those who are not yet members, we would love to have you! Your CLEAN Garbage Recycling Team

Tremont History Project

With the current interest in this property, we thought we would share pics of interior of Holy Ghost in its heyday. (FYI: Tremont History Project will not be producing calendars for next year due to the fact we have not been having meetings due to Covid-19.)

Tremont West Office COVID-19 Policy

Board Resolution passed 7.16.2020 - Due to the continued prevalence of COVID-19 (coronavirus) and emerging recommendations from health care providers and government agencies around best prevention measures and social distancing, Tremont West Development Corporation is hosting its Board of Directors meetings and all Tremont West Committee meetings on the Zoom platform until further notice. We urge all block clubs to consider doing the same and to work with Tremont West organizers to facilitate setting up Zoom meetings. Staff from Tremont West will continue to help facilitate meetings by assisting in creating the agenda, sending out postcards and providing materials. If block clubs host in-person meetings, we advise to host outdoors if at all possible while maintaining social distancing and face mask protocols.

Additionally, we will continue to ask that developers present plans to the block club and the Economic Development Committee. However, due to the City of Cleveland hosting their public review online, we do not believe we can successfully require in-person meetings. Tremont West will work with block club chairs to ensure that members have access to materials and can have a presentation provided. We remain committed to the review process we have worked to establish over many years.

Experience Tremont

www.experiencetremont.com
It's Tremont's new resource for residents, businesses and visitors.

Welcome, Urban Orchid!

After building a reputation as one of the city's best florists, Urban Orchid, the upscale floral shop with locations in Cleveland's Ohio City and Little Italy neighborhoods, is expanding. Urban Orchid will open a third location in the historic Tremont neighborhood at 3154 West 14th Street, Cleveland.

With over a decade of experience in the floral industry already behind him, owner/designer Brandon Sittler's exquisite and unique creations have been admired all over Greater Cleveland and have won multiple awards including "Best Flowers" in Fox 8's HOT LIST and Cleveland Magazine as well as "Best Florist" in Scene Magazine's Best of Cleveland 7 years in a row.

In addition to weddings, funerals and day-to-day bouquets, Sittler's designs have been displayed at notable local events such as Art Cares, Pandemonium, HRC Dinner and many more. Urban Orchid has also been called on to do floral work for many of Cleveland's top organizations, including Lincoln Electric, Eaton Corporation, PNC Bank, Case Western Reserve University, Cleveland Browns Hospitality, Fleet Response and Charter One Bank among others. Urban Orchid is best known for their wedding designs and installations averaging over 175 weddings a year.

"I am excited to bring my unique floral designs to our new location in Tremont," said Sittler. "At Urban Orchid, we carry a wide selection of fresh flowers ranging from traditional classics to exotic. Our new location will give us the space we need to provide our customers with what they require for weddings, special occasions and corporate events. Whatever your budget, we will work with you to make your celebration's flowers exciting and memorable."

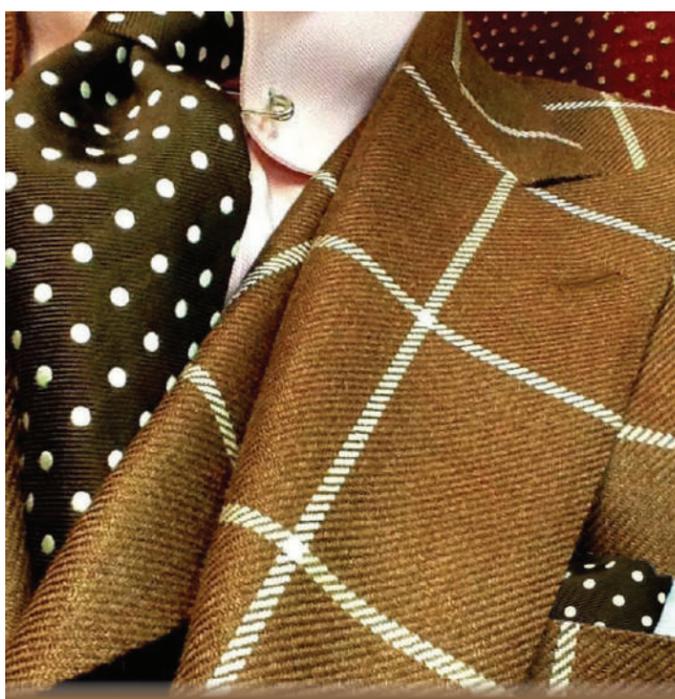

Urban Orchid
3154 West 14th Street
www.theurbanorchid.com
Hours of Operation
M-F 9am - 6pm
Saturdays 9am-2pm
Bridal Consultations are by appointment only.

In addition to a retail flower shop the Tremont location will be the Design Headquarters for the Urban Orchid chain. The beautifully renovated space includes a large production space where all corporate and wedding work will be designed and created. The centrally located, historic building with easy highway access attracted owners Brandon Sittler and Jeff Zelmer to the space. They purchased the building in early 2019 and began renovations this year after the former tenant's lease expired.

More than a flower shop, Urban Orchid carries products such as hand-crafted jewelry and vases among other exclusive creations designed by local artists. The new space also has a Bridal consultation room and showroom space to display their vast array of rental items. Urban Orchid is open 9 a.m. to 6 p.m. Monday through Friday and 9 a.m. to 2 p.m. on Saturdays. Deliveries available both local and out-of-state. Bridal consultations are by appointment only. All COVID required precautions are in place for customer comfort and safety.

Welcome, Makekas Loft, Victor J. Freeman Private Collection

3148 West 14th Street is now home to Makekas Loft, Victor J. Freeman's Private Collection. Victor wants to provide a unique shopping experience to Tremont.

Victor Freeman's 25 years of experience in the clothing industry gives an intense meaning to the words, "meticulously dressed man". Being the fourth boy of a family of five boys and one girl, Victor was also the fourth in line to receive hand-me-downs from his three older brothers. During that time, out of his enthusiasm to wear the latest fashions and to have them fit me well, he embarked on tailoring. While in high school Victor attended the Gadsden Technical Trade School in Gadsden, Alabama. That is where he studied tailoring. After finishing his studies, he then began fashion design. Through Victor's success in tailoring and design, Makeka's Loft was started."

Makeka is the name of Victor's daughter. Makeka's Loft started out as a personal clothier that came to you. This is Victor's first storefront and he is thrilled to be in Tremont. As he was getting the shop prepared to open, he has enjoyed getting to know his new neighbors of Urban Orchid and Terrapin Bakery.

If you have ever wanted to have a suit, shirt or blouse tailored just for you, stop by and meet Victor Freeman at Makeka's Loft. He'll work with you to create your one-of-a-kind look. They will also have men and women's clothing for sale from other designers you can buy right off the rack.

Welcome, Kaiser Gallery!

Work by Gary Sczerbaniewicz.

Work by Morgan Bukovec.

Kaiser Gallery (KaiserGallery.com) is a contemporary gallery and lounge in the heart of Tremont, scheduled to open this year. In this format, Kaiser Gallery combines a dedication to the visual arts with artisan cocktail pairings to create a unique atmosphere that can readily bring innovative art exhibitions to new audiences, while still serving artists in their artistic endeavors. Owner Tanya Kaiser is pleased to provide this immersive experience to Cleveland. Tanya received her MFA in Studio Art from Stony Brook University and is also the former event and media Director of the Walt Whitman Birthplace Association in Huntington, New York. During her tenure, she introduced and curated a series of art exhibitions and artist talks featuring local artists for the museum.

As an artist-run space, Kaiser Gallery seeks to reinvent the current gallery model by restructuring it into a sustainable artist-friendly model. One way this will be achieved is through the removal of submission fees. Public programming is planned around exhibitions and provides artists opportunities for thoughtful community engagement through lectures, performances or demonstrations. Through inclusive programming, Kaiser Gallery supports, promotes and encourages artists of all mediums and in all stages of their careers to apply. The gallery strives to make a positive community impact by working with exhibiting artists to develop quality and accessible art-based experiences for the public.

Kaiser Gallery's first exhibition, DomesticLands, explores the childhood home as it relates to family relationships, childhood memories and feelings of dysphoria. There are nurturing memories that offer safety and warmth. However, for others, the home can represent pain where a moment of trauma is forever encased in time. Home can be a physical location, associated with the material or defined within one's self. This cultivation of objects and relationships determines who we are—presenting the works of Cleveland native Morgan Bukovec, Gary Sczerbaniewicz of Buffalo, New York, and Allison M. Walters of Raleigh, North Carolina.

Block Club Happenings

“Block Club Happenings” is compiled by Tremont West staff with direct input from Block Clubs.

Auburn-Lincoln Park

Auburn-Lincoln Park Block Club met on Monday, October 19th, 2020 via the Zoom platform online and by telephone. Sgt. Patrick McClain of the Second District Cleveland Police Community Services Unit provided a safety update. There have been incidents with people running stop signs around the park and adjoining areas. Officers are periodically watching those areas – particularly the intersection of W. 11th Street and Starkweather Avenue. Additionally, there have been noise complaints as a result of cars congregating in the parking lot under the Abbey Bridge late at night (particularly weekends), which has occasionally required officers closing that parking lot to vehicular traffic. No date confirmed for Board of Zoning Appeals meeting for the proposed apartment building development (Lincoln Park Flats) at the corner of W. 14th and Kenilworth, the site of the former Holy Ghost Church parking lot. The Block Club voted 17-2 in opposition of the development proposal at their September meeting. Block Club members should watch for updates from the Block Club and Tremont West regarding information on how to attend the BZA meeting which is currently scheduled for November 23rd. Members of the community who want to write letters concerning the project to the Board of Zoning Appeals (BZA) should direct them to Michelle Davis at Tremont West who will forward them on to the BZA. Members should also copy the Mayor's Office, Cleveland Ward 3 Councilman Kerry McCormack, and City Planning Director, Freddie Collier on their letters. Voting Early In-Person in the General Election is underway at the Cuyahoga County Board of Elections (2925 Euclid Avenue). Absentee/Vote-by-Mail ballots should be returned either via mail (postmarked no later than November 2nd) or hand-delivered to the secure drop box accessible 24/7 in the parking lot of the Board of Elections as soon as possible (deadline is no later than 7:30pm on November 3rd). Election Polling places will be open on Tuesday, November 3rd from 6:30am – 7:30pm Bring ID. Check the Board of Elections – www.443Vote.us – regarding your polling place prior to making the trip to vote. You can also Track Your Ballot on the same website. Clean garbage recycling bins for aluminum and steel cans at 2 locations along Professor Avenue – with paper and cardboard recycling bin in the gravel parking lot of Annunciation Greek Orthodox Church (behind Loop) – accessible either from W. 11th Street or Fairfield Avenue. No good options for glass and plastic recycling at this time. The block club urges members to stay safe, wear face masks and keep socially distancing, while also keeping porch lights on, cup holders clean and your junk in your trunk! You can keep current on all of our activities and meeting dates/locations by visiting the Auburn-Lincoln Park Block Club Facebook page www.Facebook.com/auburnblockclub. If you are interested in attending our monthly meeting or have questions for the block club please contact Block Club Co-chairs, Kate O'Neil (auburnlincolnpark@gmail.com) or Jonathan Petrea (jpetrea@gmail.com) and/or Community Involvement Manager Scott Rosenstein of Tremont West by e-mail at scottrosenstein@tremontwest.org – or by phone at 216.575.0920 ext. 106. **To join us for the virtual Block Club meeting online or by phone via Zoom on Monday, November 16th, 2020 at 6:30pm, please contact the Co-Chairs or Scott Rosenstein for Zoom log-in instructions or phone access details.**

Central Tremont

The Central Tremont held its October block club meeting at Lincoln Park on Monday, October 5th, 2020 at 6:30 p.m. Neighborhood updates and discussion on development project were reviewed and discussed with TWDC Development Director, Khalid Hawthorne. Updates and reminders for the Our Neighborhood Votes initiative, as well as the recycling program were also shared to the block club. The block club requested further development updates from Keystate Homes and JROC, as well as virtual introductions and tours of new neighborhood businesses that have opened in their area during the pandemic. **The next Central Tremont block club meeting will be held on Monday, November 2nd at 6:30pm through Zoom. Details to follow.** For more information on the block club and its activities, please contact Co-chairs Jennifer Zellner (zzzellnerj@gmail.com) or Chris Zellner (zzzellner@gmail.com). Information can also be found on our Facebook page at www.facebook.com/CentralTremont.

Duck Island

The Duck Island Block Club met on Tuesday, October 6th at Forest City Brewery with many members joining in through Zoom. Sgt. Patrick McClain of the Cleveland Police Second District Community Services Unit called in to listen to neighbors' concerns and report on crime and police work in the area. Guest Speaker Debbie Smith, co-founder of CLEAN/Garbage Recycling, explained the program to members. It is a grass-roots, community based operation that collected recyclables at the Tremont Farmers Market and now provides recycling drop-off bins (for clean aluminum, paper, and cardboard) in Tremont. There was some interest expressed in obtaining a bin in Abbey Park in Duck Island. Elaine Borowski, one of the members who brought neighbors' concerns about the Stoneleigh apartment project planned for W20th Street and Lorain to the City Planning Commission, reported that they were successful in getting the Commission to require a traffic study and resolution to potential traffic problems related to the development. Elaine also reported on the progress of the Duck Island Green Space Committee's library box, which is now in place in Abbey Park. Westleigh Harper of Horton Harper Architects presented plans for the Cooper Flats apartment buildings to be built along both sides of Willey Avenue. As a stipulation of the purchase of a land bank lot, the project is expected to have 3 units of "workforce housing" at lower rents than full market rate. There were member questions

about why only 20% of the units on land bank lots are subject to rent restrictions and why competitive bidding for affordability offers is not used in the sale of land bank lots. Michael Horton of Horton Harper Architects presented plans for three new houses at W18th St and Bradford Avenue. Immediate neighbors had some concern about the location of greenspace in the site plan and partial obstruction of views from neighboring roof decks. Plans for additions to two existing homes in the neighborhood were also shown and explained. There was a call for block club officers for 2021. Carolyn Bentley expressed interest in continuing in her position as our ex-officio representative to the Tremont West Board of Directors. **The Chair, Co-Chair and Secretary positions will also be filled at our December meeting, which is scheduled for Tuesday, December 1st at 6:30 PM at Forest City Brewery.** Face masks are required – and social distancing guidelines will be followed.

Holmden-Buhrer-Rowley/Mentor-Castle-Clark

The HBR-MCC block club met on Wednesday, October 7th at 6:30 p.m. The block club decided to meet outside in the Pozo Studio Courtyard, in combination with hosting the meeting on Zoom. A representative from the 2nd District Community Services Unit was not available to attend the meeting; however, notes were taken and will be forwarded to the 2nd District for follow-up. Next, block club Co-Chair Josh Wright provided the group with an update on the "Bridging the Gap" project. The W.11th and Buhrer Pedestrian bridges were painted over the weekend of September 26th and 27th. A total of 20 volunteers assisted with cleaning and painting over graffiti on both bridges, in preparation for an upcoming art project. Block club Co-Chair, Angelica Pozo, suggested partnering with neighborhood artists and/or organizations to complete an art project on both bridges. Co-chairs will be requesting proposals from prospective artists and will bring options to the rest of the block club for a vote. Next, Deb Smith, Co-Chair of the South of Jefferson Block Club, presented the block club with a new initiative to provide a recycling option for Tremont. The HBR-MCC block club decided they would be in favor of supporting the new "Clean Garbage Recycling Initiative" and will have recycling receptacles posted throughout their area. Lastly, information on affordable, high speed internet is being provided to residents in the HBR and MCC areas through Digital-C. Residents interested in learning more information on how to qualify for internet for just \$18/month should contact info@empowercle.org or (216) 777-3859. **The next block club meeting will be held on Wednesday, November 4th at 6:30 p.m. at Pozo Studio (1193 Holmden Avenue) and through Zoom.** Space in Pozo Studio will be limited, so please contact the block club Organizer or Co-Chairs to reserve a space. Contact information is below. To learn more about our block clubs and their activities, find us on Facebook or contact MCC Co-Chairs Josh Wright (jwright.cle@gmail.com), Beverly Wurm (wurm_beverly@yahoo.com), HBR Co-Chair Angelica Pozo (earth.angelapozo@gmail.com) or Dharma Valentin, Community and Equity Organizer – dharmavalentin@tremontwest.org – 216.575.0920 ext. 102.

Irishtown Bend

On Wednesday, October 14th Irishtown Bend Block Club met virtually via Zoom for their last meeting of the year. 11 attendees logged in, including residents and guests. First, Bob Burichin from The Metroparks joined via telephone and gave us the latest update on the construction of the Red Line Greenway Trail, which is expected to be finished March 2021. Residents were able to get their specific questions answered regarding the landscaping plans and the installation of a new fence, among other topics. Second, Sgt. Patrick McClain, from the Second District Police Community Services Unit, joined in via telephone and updated the group on the recent crimes that had happened around the neighborhood. He also updated us on the operation made by the Police regarding the gang of loud cars and motorcycles that spent the summer menacing the streets. Fortunately, it was a successful operation and Sgt. McClain continues to support the community in helping us report anything out of the ordinary. He also promised to send traffic cars to check on the speeding vehicles on Columbus Road. Our third guest, Cleveland Ward 3 Councilman Kerry McCormack joined us via Zoom, and the group was able to get information regarding who to contact for city property clean ups. Also, he mentioned there's a public meeting at the end of the month, where the city will give an update on the Recycling Program. He also gave us suggestion on what to do to arrange/fix the LED Street lights that can be a little too bright into people's houses. He also is going to help us obtain a city security camera on phase 2 of this project. Later, Scott Rosenstein from Tremont West informed the group about the non-partisan effort to place "Our Neighborhood Votes!" yard signs (in English and Spanish) in the neighborhood, and a few residents agreed on having such signs. **Finally, there was a reminder that our next meeting is Wednesday, January 13th, 2021 & candidates for the next Chair term need to be submitted for the upcoming election, which is taking place at the same meeting in January.**

Metro North

Metro North Block Club was scheduled to meet virtually on Tuesday, October 27th via the Zoom platform with participants joining the meeting by telephone or online. First on the agenda is neighborhood Safety Update with 2nd District Police Community Services Police Officer, Sgt. Patrick McClain, who is to join the meeting by telephone to hear and respond to neighbors' safety concerns. Items of concern include: drug dealing, thefts, and most recently a shoot-out by drug dealers in the Corning Avenue and W. 17th Street area and adjoining alley – a danger to a number of young children in the area; persistent reports of vagrancy and homeless individuals who take up residence in empty or abandoned housing on W. 23rd Place between Sacket and Meyer and concerns by residents for their physical safety continue; an update on Holmden Avenue safety and housing concerns (brought by Holmden neighbors) between Scranton Road and W. 17th Street– what actions neighbors and the police have taken and what issues still need addressing. Special Guest

at the meeting is to be Ward 14 Councilwoman Jasmin Santana, who will field residents' concerns and share a Ward update. There are recycling alternatives in the neighborhood sponsored by CLEAN/Garbage Recycling – a grass-roots, community based operation that collected recyclables at the Tremont Farmers Market and now provides recycling drop-off bins (for clean aluminum, paper, and cardboard) in Tremont. They are looking to place more bins around the neighborhood. Just a reminder: Digital C – a Cleveland-based high speed internet service, EmpowerCLE, is available to residents of Metro North to address the digital divide in Cleveland neighborhoods. Residents of Metro North, with the support of Ward 14 Councilwoman Jasmin Santana, can enjoy high speed internet access from EmpowerCLE for \$18/month plus taxes. MetroHealth is offering residents a \$10/month subsidy for 12 months making this internet access available for around \$10 month – households with a CMSD student receive free internet courtesy of CMSD. If you have any questions about Ward 14 meetings or services, please call the Office of Councilwoman Jasmin Santana at 216-664-4238. For information about the block club or its' activities, please visit the block club's Facebook page, or contact Metro North Chair, Sue Krosel, or Scott of Tremont West by e-mail at scottrosenstein@tremontwest.org – or by phone 216.575.0920 ext. 106. **Our next meeting will be held on Tuesday, November 24th, 6:30pm.** Please watch for more details by US mail and e-mail.

North of Literary

On Tuesday, October 20, 2020, NOL held a ZOOM meeting attended by 23 members and 4 guests, including Scott Rosenstein, Community Involvement Manager. Amanda Braddock chaired the meeting. Sgt. Patrick McClain, Second District Cleveland Police Community Services Unit, discussed the cars and motorcycles that parade around the neighborhood on weekends and congregate under the bridge by Abbey Road, with their inhabitants drinking and blasting music. Sgt. McClain outlined steps the police have been/are taking to get rid of these neighborhood nuisances; the police have blocked off the park and blocked off access to the parking area under the bridge and they have handed out numerous citations and made arrests. There have been complaints of speeding on Abbey and the police wrote 40 tickets last weekend in an area between W. 19th street and Abbey Road. Police are committed to patrolling for increased visibility to stem car break-ins that have been occurring in the neighborhood, and residents are advised to lock their cars, leave NO valuables in cars, and park in well-lit places. Angela Jones, who is Senior Government Affairs Specialist with Northeast Ohio Regional Sewer District (NEORS), presented upcoming and ongoing projects for our area. NEORS was created in 1972 and serves 62 communities, including Cleveland, with approximately one million residents. There are three waste water treatment plants that treat about 90 billion gallons annually. She outlined two projects specific to our area. One is the West 3rd/Quigley Miscellaneous CSO Project that consists of rehabilitating existing sewers, installing new sewers, and cleaning and relining some sewers. Work may not begin on this project until December, 2020 or January, 2021. The second project, which is going on now, is the Miscellaneous CSO Improvement Project, taking place in the Literary/Jefferson/West 3rd areas and consists of cleaning and relining sewers. Nathan Dent brought up the issue of ongoing sewer backups in the area; Ms. Jones stated that the current work should relieve the pressure on local sewer systems by increasing capacity. Dennis Turski questioned whether the many new apartment complexes under construction will overwhelm the system. Ms. Jones stated that new developers must follow strict regulations regarding storm and sanitary waters and if there are issues, the builders may have to make alterations in their construction. Our next guest was Kerry McCormack, Ward 3 Cleveland Councilman, who gave updates and answered residents' questions. He gave an update on the brick work on West 6th Street, stating that the water line and restoration work is complete and brick restoration to other areas should be completed by end of year. Councilman McCormack mentioned that the man who recently attacked two women in the neighborhood is definitively known to police and that several law enforcement groups are looking for him. Some discussion ensued regarding issues with Irishtown Bend, including demolishing of some buildings in that area. There were questions about new signage in areas on and around the new Towpath. Alexandra Dattilo asked about the status of replacement of sewer lines on Thurman Alley, to take place sometime next year, leaving residents with garages on that street without vehicular access for 4 weeks. There was some update on recycling alternatives and the Clean Garbage Initiative, with some suggestions for local options. Scott reminded members of voting options and deadline dates. Amanda brought up the 49-unit apartment building proposed for 1415 Kenilworth (& W. 14th Street). The building that has NO parking proposed within the 400 feet required by City code. The project is opposed by the Auburn-Lincoln Park Block Club, St. Augustine Church, and by Tremont West. The project is set to go before the Board of Zoning Appeals currently scheduled on November 23rd. Amanda drafted a letter on behalf of NOL in opposition of the project; Marilyn Dubasek moved to oppose the project on behalf of NOL and the motion was seconded. The motion passed without opposition and Amanda's opposition letter on behalf of NOL will be forwarded to the Board of Zoning Appeals. Sadly, our Co-Chair Chris Roy and wife Nancy will be moving in the next month or so. Many thanks from NOL to him for his many years of dedication to the neighborhood and to NOL and congratulations on their new home. We will need a new Co-Chair to fill the remainder of the unexpired term---anyone interested? Scott Rosenstein mentioned that a Holiday Food Drive is so necessary this year, especially in these hard times. Details will be forthcoming. For more information on the block club and its activities, please contact Co-Chair Amanda Braddock (abraddock@gmail.com) or contact Scott at Tremont West (scottrosenstein@tremontwest.org) – 216.575.0920 ext. 106. **The next block club meeting will be on Tuesday, November 17th, 2020 at 6:30 PM.** Please watch for e-mail with more details.

South of Jefferson

The South of Jefferson Block Club met at Lucky Park on Tuesday, October 13th. The meeting started with the exciting unveiling of our long-awaited Lucky Park Mural designed by Rachel Usmani. We would like to thank Rachel, Stamy Paul of Graffiti HeArt, the Tremont Trek Home Tour grant committee, Dave Freitag, Mike Koski, and all others who played a part in this project, especially Deborah Smith, Her leadership and energy allowed the project to not be defeated by unfortunate false starts, red tape, and maybe even a brick wall or two. This beautiful addition to our neighborhood exists because of her dedicated desire to see Lucky Park improved. Sgt. Patrick McClain of Cleveland's 2nd District Police Community Services Unit provided a safety update and an overview of the duties of his unit. Police are aware of the ongoing issues with speeding and racing in Tremont and the surrounding areas and are monitoring the situation. Clean Stream Recycling Collection will continue to collect clean aluminum cans in locked bins located at Lucky Park, the AA driveway on Professor Ave., and Holmden Ave. Please email CleanGarbageRecycling@gmail.com for the combination code. Clean paper and cardboard can be deposited in the paper retriever in the parking lot of the Annunciation Greek Orthodox Church (14th St. and Fairfield). Information was provided to the block club regarding a storefront renovation project at West 5th and Jefferson. The front unit was converted to a live/work style apartment that is currently operating as a dance studio. The building remains a total of four units. **Our next meeting is planned for Tuesday, November 10th at 6:30 PM, location TBD.** For more information on the block club and its activities, visit our Facebook page or email our Co-Chairs, Debbie Smith (ebusmith11@gmail.com) and Greg Kobe (egreg_99@yahoo.com) or Community Involvement Manager Scott Rosenstein (scottrosenstein@tremontwest.org) – 216.575.0920 ext. 106.

Tremont Arts & Cultural Festival

The Festival committee is grateful to the visual and performing artists, community and cultural groups, vendors, volunteers and patrons that take part in the Festival. We are looking forward to the third weekend of September, 2021, when we can gather to celebrate the beauty of the arts, the joy of creativity and the spirit of community that is intrinsic to the Festival. The Tremont Arts & Cultural Festival will welcome you to Cleveland's Lincoln Park on Saturday and Sunday, September 18-19, 2021 for the 22nd Annual Tremont Arts & Cultural Festival – and until then, wishing you good health and safety throughout the year.

Clark Avenue Project Update

Updated Clark Ave. resurfacing, beginning, Wednesday, February 19, Clark Ave. between Quigley Rd. and W. 25th St. will be closed to westbound traffic for roadway work through October 2020. For more information contact: District 12 Public Information at 216-584-2006 or D12.Public.

Information@dot.ohio.gov Tentative Completion Date: October 2020

Neighborhood Retail Assistance Program

The City of Cleveland's Economic Development Department can assist small businesses with financial packages of both loans and grants to improve the interior and exterior of their storefronts. Please call Khalid Hawthorne at 216-575-0920, ext. 113.

Commercial Space for Sale or Lease

Are you looking to lease, purchase or market commercial space in Tremont? Remember, if you are planning to open a business in Tremont, you must contact the City of Cleveland to see what variances or permits are required for your desired location. The Department of Building and Housing can be reached at 216-664-2282. There are some great loan reimbursement programs through the city and county for vacant building rehab, storefront renovations, signage and Brownfield clean-up. Please call Khalid Hawthorne at 216-575-0920, ext. 113.

The Storefront Renovation Program

The City of Cleveland's Storefront Renovation Program is an exterior rehabilitation program that combines financial incentives (rebate or loan) with free City design assistance. The City partners with neighborhood Community Development Corporations to implement the program in the neighborhood. Please call Khalid Hawthorne at 216-575-0920, ext. 113.

Towpath Trail Construction

Road Closures associated with the work being performed at the West 10th Street and West 7th Street Intersection. We expect these closures to remain in place until the end of October 2020. Additional Road Closures will be installed as the project progresses thru new roadway installations and traffic patterns associated with the CUY-Towpath Trail Stage 4 project. Rob McAteer, Project Manager, 216-244-1059 cell.

Lose weight and improve your health with bariatric surgery.

Alisan Fathalizadeh, MD
Cleveland Clinic Lutheran Hospital and Richard E. Jacobs Health Center

Obesity is more than a weight issue. It's a health issue that can cause serious illness.

Being overweight puts you at higher risk of heart disease, stroke, diabetes and certain cancers. It may contribute to a more difficult recovery in COVID-19 patients.

Excess weight also can affect your joints and mobility, making physical tasks more difficult or painful.

"Bariatric surgery can be the solution you've been looking for, especially when other weight loss strategies haven't worked," says Alisan Fathalizadeh, MD, a bariatric surgeon at Lutheran Hospital and Richard E. Jacobs Health Center.

Doctors often recommend bariatric surgery if you have a body mass index (BMI) between 35 and 40 or more, as well as high blood pressure, diabetes or another condition that may improve with weight loss.

Bariatric surgery typically helps patients lose two-thirds or more of their extra weight.

The level of support provided at Cleveland Clinic's Bariatric & Metabolic Institute is unparalleled. Each patient is assigned a patient navigator, who serves as a single point of contact throughout your weight loss

surgery journey, offering encouragement and support every step of the way.

Surgery at Cleveland Clinic is safe, even during the COVID-19 pandemic. With efforts including symptom screening, mask wearing and regular disinfecting of surfaces, Cleveland Clinic takes steps to protect you and all patients.

Cleveland Clinic Lutheran Hospital offers surgical weight-loss procedures, and the Richard E. Jacobs Health Center in Avon offers pre-op evaluation, post-op follow-up and other weight loss support services.

Learn more about surgical weight-loss procedures.

Visit ClevelandClinic.org/Bariatrics or call Cleveland Clinic's Bariatric and Metabolic Institute at 800.339.9829.

Joint replacement surgery at Lutheran Hospital.

If you are having intolerable hip or knee pain, a hip or knee replacement may be an option for you.

Cleveland Clinic Lutheran Hospital is the primary location for joint replacement surgery on the West Side.

Using innovative methods and state-of-the-art technology, the team of orthopaedic specialists at Lutheran Hospital performs joint replacement surgery and treats a variety of hip and knee problems, including joints that have been damaged by arthritis and injuries.

Lutheran Hospital offers:

- The latest surgical innovations, including robotic-assisted surgery for eligible candidates.
- Expert orthopaedic surgeons and a dedicated orthopaedic surgical team in the OR (operating room).
- Rigorous patient safety protocols.

Call 800.223.2273 to schedule an appointment.

“Why can't I fall asleep?”

No matter what life throws at you, we've got the care you need, where you need it.

We're here for you at **Cleveland Clinic Fairview** and **Lutheran hospitals**.

NORTHEAST OHIO COVID-19 RENT HELP

This lifeline, funded by the City of Cleveland and Cuyahoga County, is for residents who are facing financial hardships due to COVID-19 and need help paying rent.
Income restrictions apply.

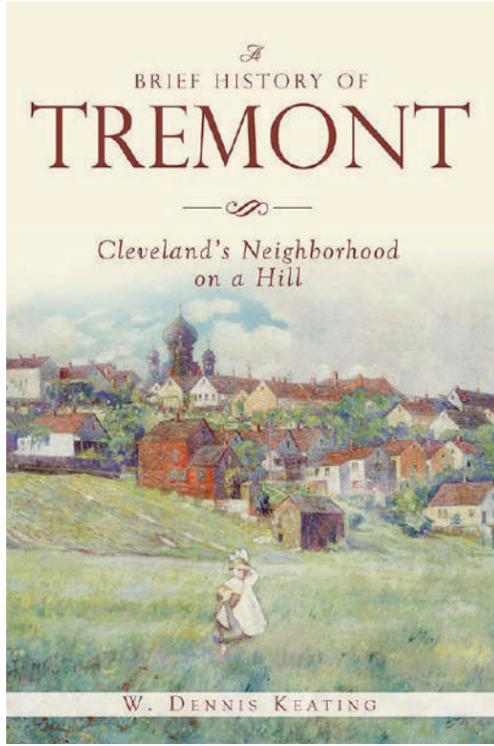

| How Does it Work? | Who Qualifies? |
|---|--|
| <ul style="list-style-type: none"> CHN is the entry point to access rental assistance, a broad array of housing, financial counseling and referral resources. Depending on the nature of your financial hardship, you may be referred to EDEN for longer-term assistance, at which time you may be asked for additional information and documentation. If you qualify, your landlord may receive up to three months back rent. CHN will screen all applicants for utility assistance programs that may help make your electric, gas and water/sewer bills more affordable. | <ul style="list-style-type: none"> Residents of the City of Cleveland and Cuyahoga County who are having difficulty making rental payments due to the economic impact of the pandemic and who meet income eligibility requirements. If you qualify for rental assistance, you may be required to attend more in-depth financial counseling, provided by CHN, as a condition for payment of the rental assistance. Priority is given based on criteria such as eviction status, accurate information and complete documentation. |

Sick of Politics? Cast a Vote for the Environment Elect to Recycle Campaign Yard Signs When the Election is Over

The Cuyahoga County Solid Waste District wants YOU to recycle your campaign signs. Go ahead, celebrate your candidates' wins or cry over their losses! Either way, you can keep them out of landfills. The signs will be recycled by Northcoast Recycling Specialists in Wickliffe. Unwanted campaign yard signs are processed and recycled into paper towels, toilet paper, mailing crates and metal products. By recycling your campaign signs, you are casting a vote for the environment. When we recycle, everybody wins! Visit CuyahogaRecycles.org and click on "Recycling in My Community" to learn more about opportunities for recycling where you live.

Welcome, Bar Oni Izakaya!

*Japanese sports pub and yakitori grill
Flat screen tv's, \$2 beer, and chicken skewers*

According to their Facebook page, "Bar Oni was born of fire:

Our story is inexorably linked with the need to create under pressure. Bar Oni was conceived and birthed during the COVID 19 crisis of Spring, 2020. Chefs David Kocab and Matthew Spinner were busy running a successful Japanese restaurant, when a pandemic disaster struck. The event left their restaurant, as well as all others in the state, shuttered for dine in business. This meant the only way to survive would be through delivery and takeout business.

Not ones to take a crisis lying down, Chefs Spinner and Kocab concocted a menu full of casual dining Japanese favorites, and began packaging them for pick-up and delivery as a way to stay afloat during lean times. The menu included yakitori (skewered and grilled chicken), as well as izakaya (Japanese pub specialties). Needless to say, yakitori and izakaya style pub food were hits among Clevelanders. So much so, that in September, 2020, the duo decided to convert their former fine dining Japanese restaurant space, to a Japanese sports pub and yakitori grill.

The name Bar Oni comes from a the mythical gargoyle like creature from Japanese folklore. Once an ancient evil spirit, in modern times the Oni has become a protector of homes and buildings. The Oni uses his fearsome appearance to chase away bad luck."

Congrats to Chefs Spinner and Kocab on the opening of your new concept in Tremont!

Public · Hosted by Southside

Market open during regular business hours starting Nov 22 through Dec 23. Purchase a tree and receive a complimentary drink ticket. All trees furnished by CLE TREES.

Congratulations to the Sokolowski Family on Your Retirement!

In October, it was announced that our Tremont eatery of almost 100 years, Sokolowski's University Inn, will close, and the property has been listed for sale. Although it makes us sad to see this special place and neighborhood gem come to an end (though they did leave their options open if it didn't sell), we can't be happier for one of the nicest and hard working families to begin enjoying retirement. Photographed above are Mary, Bernie, and Mike Sokolowski. They worked tirelessly to keep the legacy of their parents and grandparents alive, serving delicious James Beard Award winning delicacies to the hungry people of northeast Ohio. If you are a Clevelander, you probably have a memory of meeting family and friends here for a hearty meal. You can visit their Facebook page to see many memories people have shared with them. Tremont West often thanks all of our volunteers with a holiday meal and we were lucky enough to have done that at Sokolowski's in 2019 as well as many other years. We cherish our memories in this warm inviting place. Thank you to the Sokolowski Family and the staff at Sokolowski's University Inn! You will be missed but not forgotten.
