

A SERVICE OF THE TREMONT WEST DEVELOPMENT CORPORATION FOR THE HISTORIC TREMONT NEIGHBORHOOD

Celebrating the Spirit of Tremont & NE Ohio Tremont Arts and Cultural Festival

September 18th – 19th, 2021

The 22nd Annual Tremont Arts and Cultural Festival returns to Lincoln Park—Starkweather and West 14th Street—on Saturday, September 18th—Noon – 7pm and Sunday, September 19th—Noon—5 pm. The mission of the Festival is to celebrate the cultural and artistic diversity of Tremont and Greater Cleveland by encouraging the artistic and cultural endeavors of its visual and performing artists.

The weekend Festival is comprised of five categories or program areas which include: **Children's** - arts and educational projects; **Community**—area non-profit organizations are joined by independent and locally owned businesses and Farmers Market vendors; **Food**—food sales by Tremont and regional restaurants, churches, and other organizations, reflecting the ethnic diversity of the Northeast Ohio; **Cultural** – arts and crafts from fair trade organizations along with immigrant & refugee advocacy groups; and **Artist**—sales of paintings, sculpture, jewelry, ceramics, and photographs by Tremont and Northeast Ohio artists. Forty-five juried artists are eligible for consideration by the jurors for the Festival's top three prizes.

The Art Jurors include: Jill Lackey and Angelica Pozo. Jill and Angelica, bring a number of years of arts in a variety of media.

There will be music and dance performances on both Saturday and Sunday on the Festival Main Stage (See COVID Notes below). Performers include: Ropa Vieja (Salsa, Bachata, Merengue, and Reggaeton), Jazz Soloist – Joy, New Genesis (poetry and spoken word with a Latino and LGBTQ-affirming message), St. Augustine Church Signing Choir, "Piast" Polish

Folk Song and Dance Ensemble, Lingyun Rising Star Acrobatics and Chinese Dance School, Grupo Fuego (Latin Tropical Music Band with an original repertoire to the sounds of Merengue, Salsa, and Bachata rhythms), a dance selection by Verb Ballets (one of Northeast Ohio's most respected contemporary dance and ballet companies) and More!

For an updated list of performers at the Festival Main Stage, check out the Festival website at www.tremontartsfestival.com.

This will be the third year for the special four-year series: Focus on the Artists – which spotlights and celebrates minority and under-represented artists that contribute greatly to our community and NE Ohio. The inaugural year of the series, 2018, featured Sin Fronteras/Beyond Borders: Celebrating Latino Visual and Performing Artists in Cleveland and NE Ohio to wide acclaim. The 2019 spotlight was on LGBTQ+ (lesbian, gay, bisexual, transgender, queer, and questioning) artists in a special Freedom and Love exhibition. After a brief break in programming in 2020 due to COVID-19 health and safety restrictions, the program returns for a third year in 2021 with a spotlight on Art of the African Diaspora: A Celebration of Artists of African Descent in Cleveland. We also welcome the return Celebration of Latino/a and LGBTQ+ Artists in Cleveland and NE Ohio. We'll feature special galleries for the series' Established and Emerging Latino, LGBTQ+, and African Diaspora Artists. Thanks to our program co-presenters: Tremont-based Kaiser Gallery, Young Latino Network, Julia de Burgos Cultural Arts Center, and the LGBT Community Center of Greater Cleveland. The Festival's focus has always been on diversity; however, this series is about populations of artists. The artwork needs to meet standards of artistic excellence, but there is no specific topic or theme for the artwork. We're focusing on the people creating the art. A similar format will be followed for Asian and Pacific Islander visual and performing artists in 2022.

With disappointment and regret we recently came to the decision to cancel the Festival's Beer & Wine Garden (planned for Saturday & Sunday, September 18th & 19th) and the Tremont After Dark Show (scheduled for Saturday evening, September 18th, 2021), due to the health and safety concerns and uncertainty posed by COVID-19 and the current high level of community transmission of COVID in Cuyahoga County. After considerable reflection and

Tremont West Announces Tremont Storefront Incubator Winner, Imposters Theater, adding to the vibrancy of the Tremont Business District

Tremont West Development Corporation and the Hispanic Business Center are excited to announce our 2021 Tremont Storefront Incubator Program participant is Cleveland’s very own Imposters Theater. Imposters Theater is a home for improv, sketch, and alternative comedy run by Creative Director Michael Busch.

Imposters Theater is a perfect fit for the Tremont Storefront Incubator Program. They have already found success with classes, workshops, & shows in the Cleveland area, but securing locations to hold their events was always an issue. The incubator will give them the time and stability they need to grow their community while searching for a long-term location with a proper performance space and more seating.

In addition to winning the Tremont Storefront Incubator, Imposters Theater is a semi-finalist in the Chain Reaction competition.

Interested in seeing a comedy show or learning more about comedy writing or performing? Visit their website today: <https://www.imposterstheater.com/>

Through a RFP process Tremont West and the Hispanic Business Center intend not to compete with local property owners who are in need of tenants, but seek to feed those available spaces with viable businesses through this program. The Tremont Storefront Incubator is a ten month agreement with three months of free rent and seven months of below market rate rent for the 400 sf space.

Beginning in September Imposters Theater will feature improv shows every Friday night and variety, sketch, stand-up, and other shows every Saturday night. Seating is very limited. Imposters also has a few spots open for their improv and comedy writing classes beginning in September and a free improv jam every Saturday afternoon.

Monthly History Walk Continues in September!

Please join us for our final 'History Walk' of this summer as Tremont History Project hosts a monthly walking tour as part of the 'Towpath in Tremont' initiative. Starting and ending at the gazebo of Lincoln Park, the walk will travel along a different route each month, accessing a different segment of the Towpath Trail on each tour.

In August, guests on our 'South Tremont' History Walk strolled the Towpath Trail at Clark Field, reflected on the indigenous land of the area and learned the story of early Brooklyn Township (which Tremont was part of), discovered the namesakes of many Tremont streets, toured a historic Carnegie library, examined the past and present roles that several of our historic churches have played for the families of our community, and even met several Tremonters who have been shaping our community's current history. Thanks to our partners at CPL's South Branch Library, Friends of Clark Field, and artist Angelica Pozo for their participation.

Our September History Walk will be Saturday, 9/18 @ 9:30am, and we will explore historic features of the north and central Tremont community including the Scranton corridor. Please be prepared to walk approximately 2.5 miles in total distance, returning to Lincoln Park by approximately 11:30. A brief, optional indoor visit to a local historic landmark is included in this walking tour.

Registration is not required but is requested and recommended: www.bit.ly/tremonthistorywalk

Questionable weather conditions will be assessed the morning of event: call/text 216-272-5046. For any questions please contact Dan from Tremont History Project at tremonthistoryproject@gmail.com or 216-272-5046. Hope to see you soon! (Postcard of Tremont School, circa 1909.)

Welcome, Studio 2671, Robin and Aaron Roy!

In their retirement the Roy's are getting a thrill out of the ability to use their studio space to enjoy themselves as they do what they love to do; create. The couple opened their studio space in order to have a place where they can do their art while connecting with the neighborhood. Their goal with Studio 2671 is to have fun and welcome people in. They are excited to be back in Tremont, a place that more than once, they have enjoyed calling home, and hope their art will help to bring more variety to the area.

The Studio does not have regular business hours but Robin and Aaron are there often, and any time they are at the studio you can walk in to say hi, look around, or purchase their work. The best way to reach them is by calling ahead of your visit, they live nearby and are excited to walk over to their studio when someone is interested in stopping by.

BAR CODE series, when viewed from a distance one can only perceive the colored bar code, however, when viewed closely one can "see" the letters which spell the name of the product. Aaron's paintings are so exact in proportion that the product will be "read" correctly by a bar code AP on one's phone.

The BLUE MEN, are changing sculptures that can be rearranged. These "blue men" were constructed from Southeast Ohio basswood, and created through custom and detailed cuts made by Aaron.

After 40 years as an optometrist Robin Roy wanted to pursue art. She has studied with many talented artist throughout the country, and abroad while on an extended tour of China. Her focus is using ink and watercolor on rice paper. Robin chose Chinese painting due to her interest in the philosophy behind the work and she is dedicated to following the Chinese principles in her work. Every stroke of her paintings are create based on ancient techniques.

(Festival Continued from front page.) conversation we have regretfully concluded that with the Delta variant cases and infection rate increasing with its passing week that we must put the health and safety of our performers, staff, volunteers, and patrons first – and not risk and jeopardize the health of individuals in the close quarters of a Beer & Wine Tent. We hope that we can experience the joy and exhilaration of the burlesque and drag performances of Tremont After Dark when the time is right. Tremont Festival audiences would love to celebrate with Cleveland Burlesque, its founder and organizer, Bella Sin, and the performers in Tremont After Dark in the Beer & Wine Garden once again – hopefully in September, 2022.

Holmden-Buhrer-Rowley/Mentor-Castle-Clark

The HBR-MCC block club meeting took place on Wednesday, August 4th, 2021 at 6:30 p.m. at Pozo Studio. A virtual meeting option through Zoom was also available. First, Sgt. Frank Woyma, from the 2nd District’s Community Services Unit was in attendance to provide an update and connect with residents on recent activities in the area. The block club was informed that the 2nd District is currently engaged in homicide and vice cases, related to violent crime in the area. Apart from this, several residents notified Sgt. Woyma of a suspicious and unknown man that has been parking in the area during the day. These activities have recently resumed after a brief break. 2nd District told the group that they would look into it. Next, CLASH (Cleveland Lead Advocates for Safe Housing) presented updates to the block club in regards to lead-safe housing programs. The coalition of volunteers who have formed in response to the Cleveland Lead Safe Initiative. Properties constructed prior to 1978 will require a lead test for signs of lead poisoning. Symptoms and long-term effects of lead poisoned children oftentimes starts showing up in school or until a diagnosis is provided by a medical provider. 30% of adolescents have had contact with lead poisoning. The idea of this program is to prevent lead in paint in homes in order to prevent lead poisoning in children. Starting on March 2021, landlords are supposed to have started to start collecting lead test results to submit to the City of Cleveland Building and Housing Department for review and enforcement. Please feel free to contact CLASH at clevelandleadsafe@gmail.com if Building and Housing is not being responsive to your inquiries or more information about how you can help your home become lead safe. Next Ward 3 candidate, Ayat Amin, presented to the block club about her plans for run for City Council. She is running as an Environmentalist and is interested in introducing an environmentally-focused platform in her Ward 3 City Council race. Cleveland is currently the third city in the country with the highest emissions, which leads to poor air quality. In

response, she is proposing a Cleveland-specific Green New Deal, which will focus on investing in public green spaces, keeping property taxes low, ending environmental racism, overseeing greener development projects, and fighting climate change by getting emissions down in Cleveland by 2030. Following this, Ward 12 Councilman, Tony Brancatelli, provided the block club with updates on area concerns previously discussed. His office has been working to get voters out to the polls through a number of community events. He stated that he is running a platform focused on affordable housing that does not exclusively include high rise apartments. In addition, his office is focusing on adding solar panels throughout Ward 12, as part of his sustainability initiative. Lastly, Cleveland Zoo presented to the block club on their Co-Designing Conservation project. They are using a co-design, or participatory, process to help develop new conservation-related programming that will best serve the needs of their closest neighbors. They want your input on community needs, assets, and priorities so they can design more meaningful community programming. In Year 1, they will use focus groups, surveys, and events to collect information; in Year 2 they will use that community input to design a project; and in Year 3, they will pilot and evaluate the project. The co-design process will help them think outside the box as they will work together with the community’s interests and needs, as well as the Zoo’s conservation mission, in mind! Other zoos accredited by the Association of Zoos & Aquariums (AZA) have created and expanded green spaces, planted community gardens, and attracted pollinators, all projects aimed at connecting local communities to nature. These projects support human wellbeing, promote environmental equity, benefit wildlife/nature, and help create a healthier planet for us all! To get involved, please call Jim Pressler, AmeriCorps VISTA Community Outreach and Research Associate for the Cleveland Zoo at jpressler@clevelandmetroparks.com. **The next HBR-MCC block club meeting will take place on Wednesday, September 1st at 6:30 p.m.** This meeting will most likely be a hybrid meeting. Zoom information will be sent out to members soon. Those who wish to meet in person may attend the meeting at Pozo Studio at 1193 Holmden Avenue. Depending on weather, meeting may be held outdoors again. Please observe proper masking and physical distancing guidelines if you choose to attend in person. Thank you. We appreciate Muriel’s time and service on behalf of the block club. Thank you, Muriel! The block club is in the process of identifying new leadership, which would be voted on at the October meeting. For more information on the block club and our activities, check out our Facebook page, or contact Scott at Tremont West (scottrosenstein@tremontwest.org) – 216.575.0920 ext. 106. **Our next official business meeting will be held on Wednesday, October 13th, 2021, 6:30pm. Lincoln Heights

The Lincoln Heights Block Club met on Monday evening July The Lincoln Heights Block Club held its summer picnic on Saturday August 14th at the Tremont Tap House. 13 members and 5 guests got together to enjoy a social setting. Councilman McCormack came and chatted with everyone. We want to thank Chris Lieb and the Taphouse for providing excellent hamburgers and hotdogs. Want to shout out JB and Ashley from the Taphouse staff for coming in early and taking great care of us. We also appreciate the service and dedication from our postal carrier Erik Ault who stopped by and had a quick lunch and talk with his customers. By now many block club members and people from other areas of Tremont have noticed the Traffic signal change at the Scranton & Starkweather intersection. This design change by Traffic Engineering was at the request of Councilman McCormack after he held a meeting with the community on May 24th at the Taphouse. Councilman McCormack listened to the concerns regarding safety exiting the alley portion of Starkweather. Kerry and T.E. needed to take into consideration the Taphouse expansion which will put all the traffic exiting their parking lot onto Starkweather alley. Lincoln Heights will see over 350 more units by the end of 2022, and 150 more units by 2023. The councilman wanted to make sure Lincoln Heights was safe for residents and guests, and is more walkable. By the end of 2021 T.E. should install the new crosswalk and ADA ramps on the southside of the intersection with PEDS signs to make it a legal crossing to the Taphouse. We are asking for patience and understanding from Tremont residents, please adhere to the re-installed No Turn on Red sign. New signals were installed to control traffic exiting from the Starkweather alley, the signal is sensor activated. So cars exiting the alley on green have the right of way, and if you ignore the NTOR sign you will get t-boned and it will be your fault. The traffic exiting the alley has the right of way, and the City had to install the sign for liability reasons. By the time this narrative is printed Second District will be issuing tickets to impatient drivers so be aware and stay safe. Carryover from the July Block Club meeting. Several members including all three Developers in attendance requested that the majority of our September 13th meeting be a discussion with TWDC and Councilman McCormack about several issues. 1) Development, 2) the Developer’s Fund Donations, 3) Housing Inclusion and Diversity, 4) LOOP Legislation, 5) Property Taxes, and 6) CDC relations with our membership. We will invite the Staff of TWDC, its Board President, Committee Chairs, and Councilman McCormack to attend the September meeting. Mark this meeting on your calendars. **Our next meeting will be on September 13th at 6PM at the Tremont Taphouse.** Please look out for email communications and post cards via TWDC. If you have any questions contact Chairperson Henry Senyak at HSenyak@aol.com or Dharma Valentin at TWDC 216-575-0920 (Ext. 102).

North of Literary

The block club was scheduled to host the annual Summer Party BBQ on Tuesday, August 17th on the W. 7th Street lawn of Eric & Brianna Ishida’s home. Unfortunately due to the threat of inclement weather, the BBQ was cancelled. Thank you to Eric and Brianna for their willingness to host us. A re-scheduled brief Business Meeting & Social Gathering was held on Tuesday, August 24th, at Camp Cleveland – Towpath Trail. Thank you to residents who brought delicious appetizers and desserts to share with neighbors. At the brief business meeting Sgt. Frank Woyma of the Second District Police Community Relations Unit addressed neighbors’ safety concerns. There was also a review of a proposed 2-story apartment building with 8 units (Phase 2 of Tremont Oaks) on W. 14th Street (across from Grace Hospital) adjoining already-constructed phase 1 building. As this meets the City’s Urban-Form Overlay housing code, there are no variances needed. Developer Rick Maron, his wife, and their architect attended. They brought a few diagrams/plans on a tripod to show to the group. Block Club members pressed Maron on the use of the apartments as AirBnb units, questions on tax abatement, and the deal to get the land issues. Maron answered some things, but declined to go into detail on the legal/permitting matters. It seemed that residents were not opposed to AirBnbs in general, but desired some regulation/controls in place, and some people thought that substituting AirBnB units for what was originally billed as rental apartments was perceived as a “bait and switch”. Residents seemed to prefer a mix of some longer term rentals and some AirBnbs. Some people did comment that they liked the look of the building/property (based on the phase 1 building). Residents were encouraged to share their concerns with the Economic Development Committee and Tremont West staff, who could forward their concerns to the appropriate City Department. For more information on block club meetings and activities, please check out our Facebook page and contact Co-Chairs, Amanda Braddock (abbraddock@gmail.com) and Jim Naccarato (jim.marilyn@icloud.com) or contact Scott at Tremont West – 216.575.0920 ext. 106 or e-mail scottrosenstein@tremontwest.org. **The next business meeting of the block club will be on Tuesday, September 21st, 6:30pm – location TBA.** Please watch for e-mail with more details.

South of Jefferson

The South of Jefferson Block Club held its Summer Party in Lucky Park on Sunday, August 15th. It was a beautiful day to enjoy the park that the block helped to save. Thanks to Co-Chair Tim Harrison for working the grill, and all those that brought items to share and/or for our annual school supply donation to Tremont Montessori. It was also nice to have Ward 3 Cleveland Councilman Kerry McCormack join us for some quick updates and general conversation. The block club did hold a brief business meeting. The sole agenda item was for Randi and John Zubin’s request that the block support and provide a community impact letter in support of demolition of the fire damaged house on West 8th Street. The house burned over a year ago and the out of state owners have done nothing with it, and have missed scheduled court dates. Neighbors consider the house not just an eyesore, but also a health and safety hazard. The block club members voted in unanimous support of our neighbor’s efforts, and Co-Chair Harrison will issue the Community Impact letter. Others, including our Councilman, Tremont West, and the Prosecutor’s office are all working to assist in resolving this lingering issue. For more information on the block club and its activities, visit our Facebook page or e-mail our Co-Chairs, Tim Harrison (tim@timharrisonphoto.com) and Stephen Bass (bass.stephen@icloud.com) or Community Involvement Manager Scott Rosenstein (scottrosenstein@tremontwest.org) – 216.575.0920 ext. 106. **Our next meeting is scheduled for Tuesday, September 14th, 6:30pm, likely at Lucky Park if the weather cooperates.** Please watch for more details by e-mail and/or postcard.

Clean Garbage Says Opt-In!

Clean Garbage Recycling is urging all Tremont Residents to opt-in to the City's recycling program. Contrary to what may have been previously reported, opting-in will cost NO additional money to residents. Per the City's FAQs on this question:

Q: Since I am already paying the \$8.75 monthly fee for my waste and recycling service, will I pay more if I opt-in to the new recycling program? Will I pay less if I choose to opt-out?

A: This fee will remain the same regardless whether you opt-in or opt-out of the recycling program as this fee offsets the operating costs for our entire waste collection operation.

Residents have until October 22nd to opt-in, with recycling services expected to begin before the end of the year. Please consider opting-in.

A large amount of recyclable scrap ends up in our landfills. Clean Garbage Recycling has received a Circular Cleveland grant to collect scrap from Tremont residents, to either repurpose, reuse or recycle. PLEASE consider setting aside small appliances (toasters, microwaves, lamps), metal scrap (fencing, rods, poles), outdoor items like grills, chairs/tables - anything containing metals. CGR will come to your house and collect the scrap. Currently we collect every other Saturday, but will come to you whenever convenient. Kindly contact us at cleangarbagerecycling@gmail.com.

Thank you for your support! To date, with the help of Detroit-Shoreway and Old Brooklyn, we have kept 2014 pounds of aluminum and 1540 pounds of steel (cans and scrap) out of the landfill during the City's recycling hiatus. Our paper retrievers are overflowing every two weeks. Well done! You are truly amazing, Tremont!! Keep up the great work.
