Inlet Dance Theatre photography by Mark Horning.

## Arts in August Brings Free Dance, Theatre and Music Concerts to Tremont's Lincoln Park!

Tremont West partners each year with our Ward 3 Councilman, Kerry McCormack, LAND Studio and Cleveland Public Theatre to present free professional dance, theatre and music in Lincoln Park to the public during the month of August.

Executive Artistic Director of Cleveland Public Theatre, Raymond Bobgan, is the curator of the performances. Opening night will be Cleveland Public Theatre's Student Theatre Enrichment Program performing an original play, *The Myth of Me*. *The Myth of Me* showcases the ensemble work of 15 young artists who are currently navigating the balance between the worlds of childhood and adulthood. Join us to experience this unique piece of free outdoor theatre! On Saturday, August 6th at 7pm the Cleveland Shakespeare Festival will be performing *The Learned Ladies*, a satirical masterpiece as the last of Molière's great plays, sees young Henriette in love, but not with the gentleman her mother and sister want her to marry. Will Henriette stay with her true love, or be forced to wed at the whim of her family?

The second weekend we celebrate the beautiful artistry of dance. Inlet Dance Theatre will perform on Friday, August 13th at 7pm, which coincides with Walkabout Tremont, a monthly neighborhood art walk that occurs the 2nd Friday of each month from 5 to 9 pm all year long.

Inlet's concert offerings will include a new work, "Bloom", performed by the dancers in the Inlet Trainee & Apprentice Program created by former company member Nicole Kapantas who is now an Inlet teaching artist and emerging choreographer. The company dancers will be performing excerpts from Inlet's repertory alongside a couple of current experiments--resetting contemporary modern dance choreography to classical music usually associated with ballet. Saturday, August 13th Verb Ballets, "Ohio Contemporary Ballet," will perform at 7pm. *Anti/gone*, by award-winning choreographer, Tommie-Waheed Evans return for one last time this summer. This contemporary ballet situates ancient archetypes between action and fate, bringing the story to life with an electrifying, original score by composer Greg Smith and costumes created by runway designer Philista Marie Mills. If either of these dance performances get rained out, they will perform on Sunday, August 14th at 7 pm.

The third weekend starts on Friday, August 19th, which includes a performance by Church of Starry Wisdom, a retro-futuristic goth-classic rock band based in Akron, Ohio. They sing songs of life, death, love, disdain, hope, despair, dissolution, evolution, order, and the chaos that crawls between. Everything is sacred. Nothing is sacred. The show starts at 7 pm. On Saturday, August 20th, Lincoln Park will set the stage for a fun evening spent with Papo Ruiz Y Dulzura De La Salsa. Bring your dancing shoes!

The fourth and final weekend kicks off with David Hakim performing songs from the Middle East on Friday, August 26th at 7pm. The final performance of Arts in August will be presented with our friends of Arts Renaissance Tremont, which will be Cleveland Jazz Orchestra on Sunday, August 28th. It is always a fun evening with Paul Ferguson and his

## Thank you Michelle for 19 Years of Service to Tremont West!

Michelle Davis has accepted a position with the St. Clair Superior Development Corporation. It is a bittersweet moment for us at Tremont West as we say goodbye to an employee that has served the Tremont community for 19 years. We are excited that she will continue to work in the community development field, taking her vast knowledge and experience to another Cleveland neighborhood.

During her tenure at Tremont West, Michelle has been the editor of *Inside Tremont*, producer of Arts In August, worked with businesses and residents in a number of different capacities, and carried out special initiatives that have greatly contributed to the fabric of the Tremont neighborhood. She is the Swiss-army knife of community development employees! We wish her well and will be following her work across town.

*Are you curious about Tremont's history? Want to learn more, or get involved in researching, sharing, and celebrating our history? Please join us!*

**Welcome, The Elliot,  
to Tremont!**

Written by Nick Lauer.

Located on the corner of Kenilworth and West 14th Street is one of Tremont's newest additions, The Elliot. Housed in the historical Holy Ghost Byzantine Catholic Church, owner Stephanie Ridgely, has taken it upon herself to restore this church back to its former glory. While the exterior has been restored to be as close as possible to the original building back in 1910, the interior has been completely renovated. Stephanie explained that after the building had been left vacant for over seven years, she was able to completely rebuild the interior from the ground up, complete with brand new electric, plumbing, and a state of the art HVAC system. The Elliot also boasts a large and inviting ballroom, two floors, full-size bars, ample room for live music and art showcases, and all the amenities you would need to host your own event. Although not housing its own outdoor space, The Elliot is placed right across from our beautiful Lincoln Park, providing a space for these outdoor events to take place. As well as hosting and serving their very own bar, The Elliot has also partnered with three exclusive caterers, A Taste of Excellence, Spice Catering Co. and Thyme Catering, to ensure that any event at The Elliot will be of high caliber.

Stephanie plans to host a grand opening Gala on August 12th at the Elliot as a way to christen the new building and welcome it into the neighborhood. The Gala is going to be an extravagant party aiming to display all of the features and benefits that this new event space can bring. Bringing in caterers, artists, live music, drinks and more, The Elliot will be, without a doubt, the place to be this summer!

**NEIGHBORHOOD 3: REQUISITION OF DOOM  
OPENS FRIDAY, AUGUST 26TH,  
AT CONVERGENCE-CONTINUUM**

Convergence-continuum continues its 2022 season, "Societies in Question" with *Neighborhood 3: Requisition of Doom*, by Jennifer Haley.

In a suburban subdivision with identical houses, parents find their teenagers addicted to an online horror video game. The game setting? A subdivision with identical houses. The goal? Smash through an army of zombies to escape the neighborhood for good. But as the line blurs between virtual and reality, both parents and players realize that fear has a life of its own.

"Playing like a nifty episode of *The Twilight Zone*, the story builds to an affectingly gruesome finale [...] with its small-scale tech demands and four-person ensemble, *Neighborhood* seems a likely candidate for legit troupes hoping to benefit from the play's youthful, tech-savvy appeal." - Variety

*Neighborhood 3: Requisition of Doom* is directed by Cory Molner.

*Neighborhood 3: Requisition of Doom* opens Friday, August 26 and runs Thu-Sat at 8 p.m. through September 17 at convergence-continuum's Liminal Theater, 2438 Scranton Rd., Cleveland, OH 44113 in the historic Tremont neighborhood. Tickets are \$23 general admission, \$18 for seniors and \$18 for students. Tickets and information are available at [www.convergence-continuum.org](http://www.convergence-continuum.org) and 216-687-0074.

Fairview and Lutheran hospitals were recently awarded an “A” in the Leapfrog Hospital Safety Grade for Spring 2022.

This top grade is a national distinction recognizing achievements in patient safety and protecting patients from errors, injuries, accidents, and infections.

**Timothy Barnett, MD**  
Cleveland Clinic  
Lutheran Hospital

“This honor is the result of hard work and dedication from our caregivers to provide safe, quality care to every patient,” says Neil Smith, DO, President of Fairview Hospital.

“We remain vigilant with safety protocols while adopting new practices to protect patients from the threat of any potential medical crises, such as the COVID-19 pandemic.”

The Leapfrog Group is a national nonprofit organization that releases semi-annual safety grades

associated with patient safety performance and practices. Grades are based on nearly 30 safety performance measures.

Fairview and Lutheran hospitals are rated above average in these categories:

- Preventing the spread of infections.
- Ensuring patients get the right medication.
- Preventing falls and injuries.
- Preventing problems with surgical wounds.
- Responsiveness of hospital staff.
- Specially trained doctors for critical care patients.

“This achievement solidifies our commitment to provide safe, quality care to every patient at all times,” says Timothy Barnett, MD, President of Lutheran Hospital. “Our caregivers work hard to uphold safety protocols, implement new safety measures and monitor any potential health threats to protect our patients and our community.”

## Block Club Happenings

*"Block Club Happenings" is compiled by Tremont West staff with direct input from Block Clubs.*

### Auburn-Lincoln Park

The block club gathered for a Park Clean-up and Summer Picnic in Lincoln Park on Monday, July 18th. Delicious food and good community friendship! Many thanks to Co-Chair, Kate O'Neil, for arranging the fried chicken, macaroni and cheese, and beverages. Thanks as well to all who brought side dishes or dessert to share. Sgt. Frank Woyma of 2nd District Police Community Services Unit was present – and warned folks to be on the alert for random BB-gun shootings that are alleged to be part of a Tik-Tok challenge. Rachael Murphy, a new staff member of Merrick House introduced herself and told us about several programs. Early Childhood Education Program Pre-K classes were busy learning how to garden by planting fruits and vegetables in our new raised garden beds. Merrick House partnered with Grow at Home owner Michael Bartunek, as well as Andy Krebs and Michael Theis, to create an outdoor learning classroom where the children can learn the process of planting fruits, vegetables and the daily care of a garden. Over the last several months the pre-K class has been attending cooking class where they experienced new foods and herbs. Merrick also held a dedication ceremony for the new Merrick House Little Free Library. Funding for the Merrick House Little Free Library was donated by Carol Jones of the Christ Child Society, and installation was done by block club member, Jack Ricchiuto, and North of Literary Block Club Co-Chair, Jim Naccarato. Merrick House invites all community members to stop by the Merrick House Little Free Library on their way to Lincoln Park to pick up a free book to read to their children! Upcoming events in Lincoln Park include the month-long weekend programming of Arts in August music & dance events on Fridays & Saturdays at 7pm: [experiencetremont.com/featured-events/arts-in-august](http://experiencetremont.com/featured-events/arts-in-august) – and the Tremont Arts & Cultural Festival September 17 & 18: [experiencetremont.com/featured-events/tremont-arts-cultural-festival](http://experiencetremont.com/featured-events/tremont-arts-cultural-festival); You can keep current on all of our activities and meeting dates by visiting the Auburn-Lincoln Park Block Club Facebook page - [www.Facebook.com/auburnblockclub](http://www.Facebook.com/auburnblockclub). ### Holmden-Buhrer-Rowley/Mentor-Castle-Clark

The HBR-MCC block club meeting took place on Wednesday, July 6th, 2022 at 6:30 p.m. on Zoom and in-person at Pozo Studio (1193 Holmden Avenue). Sixteen participants were in attendance, including guests. In regards to safety, the 2nd District Police Department did not send a representative to attend the block club meeting, however, block club members still discussed recent concerns. Patrols have been set up by the W.12th Street area during the weekends to monitor loud music that has been recently reported. In addition, Councilwoman Maurer informed the block clubs that the Sunoco gas station was recently allowed to renew their liquor license, despite objections from her office, as well as the community, and was recently caught selling commercial fireworks from the back of a U-haul truck on 4th of July. She said she will continue to follow up and monitor with the owner of the gas station to ensure the community cooperation agreement he entered continues to be enacted and upheld. Next, Kevin P. James, Education Specialist, and Markus Jenkins, VISTA Research Associate from the Cleveland Metroparks Zoo presented to the block clubs about the Zoo's Co-Designing Programming. Their mission is to co-design the Zoo with surrounding neighborhoods with community goals in mind. This strategic effort is helping the Zoo to gather information on current community needs, strengths, and resources. Once compiled, it will provide us a roadmap to plan relevant programming that both target the Zoo's conservation mission and builds upon existing neighborhood assets in an effort to meet community needs and aspirations. For information on how you can get involved, please contact [kpj@clevelandmetroparks.com](mailto:kpj@clevelandmetroparks.com) or [mdj@clevelandmetroparks.com](mailto:mdj@clevelandmetroparks.com). After the Zoo's presentation, Rachael Murphy from Merrick House was in attendance to re-introduce the community to Merrick House and their neighborhood programming. She encouraged the block clubs to attend Merrick House's "Mingle with Merrick House" event on September 29th to give them the opportunity to learn more about programming at Merrick House, as well as to meet their new Executive Director, Harriet Hadley. Finally, MCC block club members had the opportunity to vote for a new block club Co-Chair, who would be joining Beverly Wurm to make sure their neighbors at MCC are staying informed and have their voices and interests heard. All seven MCC members who were in attendance voted to have Christine Jackson become the new Co-Chair for the MCC block club. Congratulations, Christine! **The next HBR-MCC block club gathering will take place on Wednesday, August 3rd, 2022 at 6:30 p.m. at the Pozo Studio Courtyard (1193 Holmden Avenue).** The block clubs will be meeting for its Summer Potluck. Please see meeting e-vite or postcard for more details. ### Irishtown Bend

Our block club meets bimonthly. We held our most recent meeting on Wednesday, July 13th at Brick and Barrel Brewery. Our thanks to Brick and Barrel for hosting us! Congrats to member, Jonathan Greevey, who was recently elected to a position on the Tremont West Board of Directors. Irishtown Bend has two members on the Board now (Jonathan joins Jenny Rodriguez). Second District Community Services officers were unable to join us due to other City commitments. Special guests included Mera Cardenas, Executive Director of Canalway Partners (the folks who brought us the Towpath Trail and the annual RiverSweep Clean-up; Gina Weisblat, Director of Cleveland Rowing; Rachael Murphy, a new staff member of Merrick House (who updated on an Early Childhood Development Garden Endeavor and an upcoming Open House in late September); Sara Maier of Metroparks with an update on Redline Greenway and Trails. New business also included discussion on short term rentals – including a visit from the new owners of Shawn Kenney's former residence – now an Air B&B. They are Tremont residents who live nearby and monitor for responsible behavior by guests. We also heard an update on our neighborhood mural. Some recent graffiti tagging under the Lorain overpass was promptly removed by City staff following a request from Chair Jennifer Temple. Check out the free theater, music, and dance events on weekend evenings in August (Arts in August) in nearby Lincoln Park - [experiencetremont.com/featured-events/arts-in-august](http://experiencetremont.com/featured-events/arts-in-august). Location TBA.** Watch for more details by e-mail and on Facebook!

### Lincoln Heights

The Lincoln Heights Block Club Meeting was held on Monday, July 11, 2022 and the meeting called to order by President Roger Hillson at 6:03 p.m. Previous meeting minutes were approved by Seronica Powell and Tony Rivera. Safety report given by Lt. Beckner from the 2nd District police department. Although there have not been any significant crime events reported in the LHBC area recently, vigilance in the area remains important. 2nd District officers have been recently mandated to cover downtown and neighborhood events which diminishes the ability to patrol the streets. Hopefully things will return to normal soon. Members noted appreciation of a significant decrease with the holiday fireworks noise. In regards to new business, the owner, Kelly, and the project manager, Kent from the 1807 Auburn Ave. property reported the current concerns preventing putting the property for sale. A request of support from the Block Club to present to the Zoning board was discussed and Roger Hillson suggested alternative approaches be implemented before a vote is requested. Merrick House Staff person, Rachel shared various programs the Merrick House offers to the community, and requested gardening assistance for a Childhood Education project. There will be an Open House on September 29th, with an opportunity to meet the centers new Director and visit the new gymnasium and Computer Lab. Roger Hillson commented on the Reaching Lincoln Heights proposal from 2019 to the fruition of what has taken place since. Discussion of and voting on, for naming the Developers Fund as a well-deserved honor for Henry Senyak, was unanimous. Stephan Was shared a continued interest in acquiring the property adjacent to his business for extending his patio space and additional parking. Dharma Valentin mentioned the upcoming Taste of Tremont, the continued Tuesday Farmers Market at Lincoln Park until October, and the Tremont Arts Festival in September. The West 20th Place project was approved to move forward. Knez representatives will return for September meeting to "meet the neighbors". Several Administrative staff members from Scranton Elementary School were contacted to attend the meeting to discuss safety/traffic pattern concerns, but there wasn't any response. **An invitation was extended to attend the Block Club Annual Picnic on Saturday, August 13, from 11-1pm. Stephan and Ann Marie from Porco Lounge and Tiki Bar will host the event with members asked to bring a side dish to share.** Motion to adjourn was passed by Tony Rivera and Georgiann Franko. For more information please reach out to Chairperson Roger Hillson at [Roger.Hillson@gmail.com](mailto:Roger.Hillson@gmail.com) and/or request to join our Facebook group at <https://www.facebook.com/groups/LHBlockClub>.

### Metro North

The Metro North Block Club held a Summer Potluck Meal and a short Business Meeting Tuesday, July 26th, at the ground floor meeting room of St. Michael's Church. Thanks to all who brought dishes to share! At the short Business Meeting there was a discussion and review of a proposal by Fisher and Payne LLC, owner, to change use of an existing two-family dwelling to three-family at 1725 Holmden (continued from June meeting) and variances needed. Check out the free theater, music, and dance events on weekend evenings in August (Arts in August) in nearby Lincoln Park - [experiencetremont.com/featured-events/arts-in-august](http://experiencetremont.com/featured-events/arts-in-august). Performances begin at 7pm. Bring a folding chair or blanket – and a picnic if you'd like – and enjoy! Ward 14 Councilwoman Jasmin Santana has been conducting a series of 4 Ward 14 Wednesday Night Listening Sessions (3 held in July at various locations – with the 4th on Wednesdays, August 3rd, 4-6pm at Westside Community House (9300 Lorain Avenue). Hope you were able to attend one of the sessions to share your community questions and concerns with Councilwoman Santana. ### North of Literary

The block club met on Tuesday, July 19th in-person on the Hi and Dry patio as Post #1 was not available. Thank you Hi and Dry! There were 20 members and several guests in attendance. Jim Naccarato and Fred Calatrello co-chaired the meeting. Community Organizer Scott Rosenstein was present. We had been advised that the Second District Cleveland Police Community Services Unit would not be available for our meeting because of heavy demands on the police this season. There was discussion about a Tik-Tok challenge involving recording the shooting of random people with a BB gun. The owner of Corner 11 was the victim of one such incident; they were shaken but not injured. **NOL Summer BBQ No Business Meeting will be held on Tuesday, August 16th in Eric and Briana Ishida's garden at 2123 W. 7 Street.** NOL will provide burgers and hotdogs (meat

and vegetarian), buns, condiments, plates and soft drinks. Everyone is encouraged to bring a side or dessert and any other beverage of choice. Bring a chair too. E-mail Martha Lineberger with questions or to volunteer to help - [marthalineberger@yahoo.com](mailto:marthalineberger@yahoo.com) INVITE YOUR NEIGHBORS! The development project for the Sokolowski property is no longer active. No other plans have yet emerged. Does NOL have any ideas or suggestions? A few members hoped the Metroparks would pick up the project as it's right on the Towpath. 203 visitors (and 4 dogs) from all over northeast Ohio visited Tremont for the Garden Walk Cleveland on Saturday, July 10th. There were 19 gardens registered this year after an 8 year gap in neighborhood participation. Tremont organizer Sandy Smith hopes to double that next year. Garden hosts reported a well-organized, fun experience. Taste of Tremont returned with perhaps half the usual crowd, but seemed well attended considering it was such a rainy day. Looking forward to Arts in August weekend events and the Tremont Arts and Culture Festival in September. For more information on block club meetings and activities, please check out our Facebook page and contact Co-Chairs, Jim Naccarato ([jim.marilyn@icloud.com](mailto:jim.marilyn@icloud.com)) and Fred Calatrello ([callyoufred@gmail.com](mailto:callyoufred@gmail.com)) or contact Scott at Tremont West – 216.575.0920 ext. 106 or e-mail [scottrosenstein@tremontwest.org](mailto:scottrosenstein@tremontwest.org). Our next gathering is Tuesday, August 16th, 6:30pm – our Summer BBQ (see above). Please watch for e-mail with more details.

### South of Jefferson

The South of Jefferson block club held its recent meeting on Tuesday, July 12th at Post 58 with a fairly light agenda. No pressing safety concerns were noted this month. The owner of 793 Starkweather Ave (currently a vacant paved lot) seeks to build a two family, three-story home with two car tandem garage. Variances requested include a one foot side yard (to the west), a garage in the front half of the lot, and shortened rear yard. An objection was raised in regard to there being no paper copies of the plans or Letter of Non-Conformance provided for review at the meeting – however, site plans and the Letter of Non-Conformance were attached to meeting notification e-mails – and some members reviewed files on their phones. Concerns raised include a) that plans show a third floor kitchenette that implies three units, b) impact and damage to the western neighbor's driveway for continued use and during construction, given the proposed one foot side yard, c) having a hardscape front patio against the sidewalk, without greenery, d) front patio railing impairing sightlines between driveway vehicles and pedestrians, and e) that with a 12 foot driveway, cars will park and block sidewalk. Appellant clarified the kitchenette is for entertaining for unit #2; states he has spoken with the neighbors and that their driveway is 10 feet wide; offered to include patio plantings or forgo it altogether; patio railings are n/a if patio is removed, or suggestion of lowering it some to not require railings. By vote, the requested variances were approved by a strong majority of members present. The house fire at 2498 West 8th Street happened two years ago without any remediation or demolition. It appears the new out-of-town owner has other rental properties in the city, and without the start of any work, there is growing concern this issue may get dragged out even further. The group is planning for a Summer Cookout in Lucky Park, likely Sunday, August 14th, in lieu of the normal August meeting. Members should watch their email for details and invite. A School Supplies Drive will also be held – details by e-mail. Our next planned business meeting is Tuesday, September 13th, 6:30pm at Post 58 (2442 Professor Ave). For more information on the block club and its activities, visit our Facebook page or e-mail our Chair, Tim Harrison ([tim@timharrisonphoto.com](mailto:tim@timharrisonphoto.com)) or Community Involvement Manager Scott Rosenstein ([scottrosenstein@tremontwest.org](mailto:scottrosenstein@tremontwest.org)) – 216.575.0920 ext. 106. **Our next gathering will be Sunday, August 14th, a Summer Cook-out in Lucky Park.** Watch for e-mail/postcard confirmation for updates.
