

ARTWORK

All artwork exhibited must be original, designed and produced by, or under the direct supervision of, the exhibiting artist. No kit, pattern, or prefab molds (unless mold is the original work of the artist), nor any resale of purchased items will be accepted (**strictly enforced**).

PLEASE NOTE: Four (4) digital images are to be submitted for each individual category entered. Images must be high-resolution digital examples of your artwork, at least 800 X 600 pixels, in JPG format, e-mailed to tremont701@yahoo.com or mailed on a CD to the Festival address (No Slides Please). Images should be no larger than 2 MB (maximum 8 MB total for e-mail attachment). Images must represent the work to be exhibited. Artists found violating this policy during the event will become ineligible for re-admission to future festivals.

Dear Artists,

The Tremont Arts and Cultural Festival is a annual autumn celebration of the cultural and artistic endeavors of Tremont and Northeast Ohio visual and performing artists. On behalf of Festival presenter, Tremont West Development Corp. and co-presenters, Cleveland Council Members, Kerry McCormack (Ward 3), Rebecca Maurer (Ward 12), and Jasmin Santana (Ward 14), and Cuyahoga County District 7 Councilwoman Yvonne Conwell, I would like to invite Ohio artists to participate in one of the premier juried shows of the season—the 24th annual Festival held in beautiful Lincoln Park in the historic and dynamic Tremont neighborhood of Cleveland. ****The mailing address for the Tremont Festival has changed to: TREMONT WEST DEVELOPMENT CORP, 2406 Professor, Cleveland, OH 44113.****

The format of the Festival includes artists' booths, a children's village, community and cultural groups, ethnic food prepared by area faith communities and restaurants, and performing groups of area dance, theatrical, and musical artists. Last year's attendance surpassed 20,000 people.

To be reviewed by the committee of art jurors, each artist must submit four (4) examples of their artwork - as high resolution digital images on a CD, or sent via e-mail attachment or as part of an online application. (No Slides Please!)

Acceptance of artwork will be made on the quality of artistic excellence, uniqueness of vision/imagination, diversity of media to display at the Festival, a respect for the cultural diversity of Tremont and Northeast Ohio, and the availability of exhibition space. Booth location is assigned at the discretion of the Festival planning committee. We try to honor past booth location requests, but cannot guarantee them.

In this brochure you will find an application for an artist booth. Sign up now to participate in this celebration of the arts and diverse cultural traditions of northeast Ohio. If you have any questions regarding the Festival, please call me at (216) 575-0920 ext. 106, or e-mail me at ScottRosenstein@tremontwest.org. Thanks for your interest!

Regards, Scott

2023 Art Jurors

Angelica Pozo, a New York City native, born of Cuban and Puerto Rican parents, has lived in Cleveland since 1984. She moved there from Arbor, Michigan, where she received her Masters of Fine Arts from the University of Michigan. Her Bachelor of Fine Arts is from SUNY College of Ceramics in Alfred, NY. A full time self employed ceramic artist, Angelica divides her time between public art, tile and sculptural studio work, teaching workshops on tile making and architectural ceramics and often serves as an artist-in-residence on large tile/mosaic projects in school and community settings. Examples of her work, which has been exhibited widely can be seen on her website, www.angelicapozo.com.

Manuel Eloisio Ramos, a self-taught artist and native Clevelander who was greatly influenced by graffiti artists during his upbringing in the Ohio City neighborhood of Cleveland. He has a diverse art palate that includes Japanese anime, contemporary, and modern art. He has a passion for expanding his influence into chalk art, which he does without formal training, and had an opportunity to showcase at the 2022 Tremont Arts and Cultural Festival. Manuel is always looking to create artwork that can inspire others and help them connect with their own creativity and he now plans to expand his influence into this medium as well. He loves to see his work in public spaces and interact with people who visit his works.

Tanya Kaiser, a visual artist specializing in ceramic sculpture, her works examine decidedly female themes while exploring and at times challenging preconceived notions of beauty. She hopes that her pieces may serve as a vehicle for further discussion on women's roles, health, and bodily autonomy. Tanya received her MFA in Studio Art from Stony Brook University. In 2016 she was named the Goldberger Fellow for excellence in art. Her artwork in both 2D and 3D forms has exhibited internationally. Tanya has spent her career serving the nonprofit sector. Her past roles include event and media director of the Walt Whitman Birthplace Association in Huntington, NY, and administrator of the Social Justice Institute at Case Western Reserve University. She is currently the Assistant Director of Summer on the Cuyahoga—a summer internship program for 70-80 students from 9 partner regional
