

2026 Board of Directors Candidate Bios

For Board President (One Year Term)

Barbara Andelman: It has been an honor to serve on the TWDC Board, working to address challenges and opportunities and ensuring that Tremont continues to be a vibrant and thriving neighborhood. I have volunteered at all TWDC-hosted events and have seen first-hand the positive impact that TWDC has on the community. I also co-led the launch of Tremont's first-ever community cookbook. I have been able to develop relevant skills through my experiences serving on a number of boards throughout my career.

For Board of Directors (Three Year Term)

Aireonna McCall-Dubé: I'm Aireonna McCall-Dubé, a proud Tremont resident and Community Manager with SCA, where I work closely with 400+ residents and local businesses across multiple properties. This role gives me a real, day-to-day understanding of what our community needs to thrive—and how to help make that happen. Beyond that, I co-own Extraordinaire Photos + EP Events, where I collaborate with small businesses, artists, and entrepreneurs to bring ideas to life through storytelling and thoughtfully curated events. My work is rooted in connection—creating spaces where people feel seen, supported, and inspired. I'm deeply invested in Tremont's future and committed to fostering growth that is inclusive, intentional, and reflective of the people who call this neighborhood home. I would bring a hands-on, community-first perspective to the board, grounded in both lived experience and active engagement.

Alison Guerin: As a librarian and manager of the Cleveland Public Library Jefferson Campus, I hope to expand my role as a steward of knowledge and an advocate of the Tremont community by serving on the Tremont West Board. I believe that my passion for uplifting the Tremont neighborhood is made evident through my commitment to providing lifelong learning opportunities, creating community engagement and outreach experiences, and dedication to empowering residents to make impactful changes, together.

Brad Wiescinski: I am excited for the opportunity to serve our community as part of the Tremont West Board of Directors. I bring nonprofit experience, a strong sense of responsibility, and a collaborative mindset, along with a commitment to positive progress. If selected, I will work hard to represent our shared interests, listen to community voices, and help build a stronger, more connected community.

Carolyn Bentley: I have been fortunate to spend the last 18 years working and raising my family in this incredible community. I've worked hard to instill in my now teenagers the understanding that a strong community is not a passive thing to sit back and enjoy. To have an active, supportive neighborhood each of us has to find our ways of being an active, supportive neighbor. Being on the board has been one of my ways of supporting and serving my truly wonderful neighborhood and I'm hoping for the opportunity to continue that service.

Chad Stephenson: I look forward to strengthening connection, increasing engagement, and delivering results across all of Tremont as a Board Member. As a public education union representative, I know that democratic participation, unity, and solidarity are key to getting what we need as Tremonters. No matter the outcome, I will continue showing up to your block club and doing everything I can to make Tremont an even better place to work and live in the years ahead.

Chris Blue: I am a Tremont and Duck Island resident, architect, and parent committed to strengthening our neighborhood. I currently serve as Board Ex Officio representing the Duck Island Block Club and am active with the Duck Island Action Committee and Green Space efforts. My involvement also includes eight years with the Tremont Arts & Cultural Festival, CMSD school support, and youth coaching. I look forward to continuing to serve our community through the board.
